PATENT ASSIGNMENT

P3686.03

WHEREAS, I, RACHEL THEORA SAPYTA ("Assignor"), a citizen of the United States, residing at 15415 Triple Creek, San Antonio, Texas 78247, an inventor of the invention entitled "FOLDABLE CARRYING CASE," which issued on October 8, 1996 as U.S. Patent No. 5,562,204, for which I am the sole owner; and

WHEREAS, ANDREW DAVID ADLER, an individual, is desirous of obtaining an undivided Fifty Percent (50%) of the whole right, title and interest in, to and under the same invention and the said patent:

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) to the said ASSIGNOR in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the said ASSIGNOR, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, his successors, legal representatives and assigns, such undivided Fifty Percent (50%) of the whole right, title and interest in, to and under the said invention, and the said United States patent and an undivided Fifty Percent (50%) of the whole of all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; all forms of industrial property protection, including, without limitation, patents, utility models and design which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and any and all causes of action thereto that may have heretofore accrued in ASSIGNOR's favor;

AND I HEREBY covenant that I have full right to convey the interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to the said ASSIGNEE, his successors, legal representatives and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful

papers, execute all divisions, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid the said ASSIGNEE, his successors, legal representatives and assigns, to obtain and enforce proper patent protection for said invention in all countries.
