the same to be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assignees or other legal representatives to the full end of the term for which said Letters Patents are granted, as full and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made. Assignor covenants that it has the full right to convey the entire interest assigned herein, and that it has not executed and will not execute any agreement in conflict herewith.

Assignor, its successors, assignees or other legal representatives, further sells, transfers and assigns to Assignee, any and all claims for damages by reason of past and continuing infringement of said Letters Patents, and the right to sue for and collect the same for its own use and benefit and that of its successors, assigns or other legal representatives.

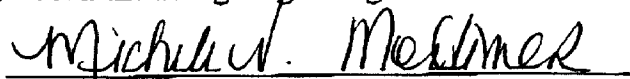

Assignor agrees to do all acts reasonably serving to assure that the inventions, Patent Applications and Letters Patents shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed if this assignment had not been made, and to execute and deliver to Assignee all lawful documents including petitions, specifications, oaths, assignments, invention disclaimers, and lawful affidavits in form and in substance which may be requested by Assignee, to furnish Assignee with all facts relating to the inventions or the history thereof and any and all documents, photographs, models, samples or other physical exhibits which may be useful for establishing the facts of conception, disclosure and reduction to practice of the inventions, and to testify in any proceedings relating to the inventions, Patent Applications and Letters Patents.

In Witness Whereof, Assignor has executed this Assignment as of this 9 day of Oct, 1998.
