1 ASSIGNMENT

2 WHEREAS, I Stephen K. Tamaribuchi depose and say that I
3 am a citizen of the United States residing at 10432 Ananda
4 Lane, Rancho Cordova, CA 95670, and being the inventor of a
5 certain invention for Mountain Bike Handlebar Grips, for which
6 I have made application for United States Letters Patent by
7 application executed herewith, case number 4170.

8 WHEREAS, BioGrip, Inc., a California corporation,
9 organized and existing under the laws of the State of
10 California with its principal office at P.O. Box 1375, Rancho
11 Cordova, CA 95741, is desirous of acquiring my entire right,
12 title and interest in and to the said invention, and in and to
13 the said application and any Letters Patent that may issue
14 thereon:

15 NOW THEREFORE, for and in consideration of One Dollar
16 (\$1.00), and other good and valuable consideration, the receipt
17 of which is hereby acknowledged, I being the owner of all
18 right, title and interest in and to said application and in and
19 to the invention described therein, free from all prior
20 assignments, agreements, licenses, mortgages, or other
21 encumbrances whatsoever, and having full right to convey the
22 entire interest, both legal and equitable, do hereby sell,
23 assign, transfer and set over unto the said assignee, its
24 successors and assigns, my entire right, title and interest in
25 and to the said invention and in and to the said application
26 and all patents which may be granted therefore and all
27 divisions, reissues, substitutions, continuations and
28 extensions thereof, and I hereby authorize and request the
29 Commissioner of Patents to issue all patents for said invention
30 or patents resulting therefrom, insofar as my interest is
31 concerned, to the said BioGrip, Inc., as assignee of my entire
32 right, title and interest.
33

34 I also hereby sell, assign, transfer and set over to said
35 BioGrip, Inc., its successors and assigns, my foreign rights
36 to the invention disclosed in said application in and for all
37 patent-granting countries of the world, including the right to
38 file applications and obtain patents for said invention in its
39 own name in said countries and including all right of priority
40 in said countries under the terms of the International
41 Convention for the Protection of Industrial Property derived
42 from my aforesaid United States application for Letters Patent
43 (Case number 4170) and I further agree to execute any and all
44 patent applications, assignments, affidavits, and any other
45 papers in connection therewith necessary to perfect such patent
46 rights.
47

48 I hereby further covenant and agree that I will, at any
49 time, upon the request of said assignee, or its successors,

1 assigns, and legal representatives or papers, execute any and
2 all divisional, continuation, reissue and substitute
3 applications, make all lawful oaths, and at the expense of said
4 assignee company, testify in any legal proceedings that may be
5 necessary or desirable to secure to said assignee the full
6 enjoyment of the rights and properties herein conveyed or
7 intended to be conveyed, in order to obtain and enforce proper
8 patent protection in all countries.

9
10 IN WITNESS WHEREOF, I have hereunto set my hand and seal
11 this 24th day of March, 1999.
