respectively, have invented improvements in

SYSTEM AND METHOD OF EMPLOYING A SINGLE BAR CODE FOR  
COORDINATING SHIPPING AND RECEIVING INFORMATION

for which we have executed on respective dates indicated below an application for  
Letters Patent of the United States, and

WHEREAS, United Technologies Corporation

a Company organized under the Laws of the State of Delaware, and  
having a place of business at Hartford, Connecticut

is desirous of acquiring an interest in said invention, said application and the Letters  
Patent to be issued therefor;

NOW, THEREFORE, to all whom it may concern, be it known that for  
and in consideration of the sum of ONE DOLLAR to each in hand paid and other  
good and valuable consideration, the receipt whereof is hereby acknowledged, we  
have sold, assigned and set over, and do hereby sell, assign and set over to said  
corporation, its successors or assigns, the entire right, title and interest to and in said  
invention in the United States and in all foreign countries, said United States  
application for Letters Patent therefor and the Letters Patent when issued; and we do  
hereby authorize and request the Commissioner of Patent and Trademarks to issue  
the Letters Patent based upon said application to said corporation as the assignees of  
our entire right, title and interest to and in the same, for the sole use and behoof of  
said corporation, its successors or assigns.

And we also hereby covenant and agree to sign all proper papers including divisional and other applications for patents and assignments thereof in the United States and application for patents and assignments in all foreign countries, and to execute all rightful oaths and to take any other proper action that may in the judgment of the said corporation be necessary for securing thereto full rights to said invention, all of the foregoing to be at the expense of said corporation.
