ASSIGNMENT

WHEREAS, WE

**Anthony BOUSFIELD**

14 Staindale, Guisborough, Cleveland, TS14 8JU, United Kingdom

have invented and own a certain invention entitled

ILLUMINATION SYSTEM

WHEREAS, I, as a sole inventor of the invention am executing an application for Letters Patent of the United States on the same date as the date appearing next to my signature below; and

WHEREAS, Imperial Chemical Industries PLC having its head office at Imperial Chemical House, Millbank, London, SW1P 3JF, England is desirous of acquiring the entire right, title and interest in and to the inventions described in said specification, all applications filed or to be filed for Letters Patent therefor, and all Letters Patent granted or to be granted therefor;

NOW THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, I, by these presents, and intending to be legally bound, do hereby sell, assign, and transfer unto the said

Imperial Chemical Industries PLC

its successors and assigns, the entire right, title, and interest in and to the inventions described in said specification and the application for

United States Letters Patent therefor, all applications for Letters Patent

therefor which I may subsequently file in countries foreign to the

United States, and all original and reissued patents granted to me for said

inventions, and all divisions and continuations of said applications,

including the subject matter of any and all claims which may be obtained in every such patent, and the right, where such right can be legally exercised,

in its own name to apply for and obtain patents therefor in countries foreign

to the United States of America, including the full right to claim for any

such application the benefits of the International Convention as fully and

entirely as I could have done if the application had been filed in my name,

the entire interest in any Letters Patent which may be granted on any such

-2-

application in such foreign countries, and all improvements on said inventions or variations thereof which I have made or may make hereafter, of all said inventions, applications, Letters Patents, and improvements or variations to be held and enjoyed by the said

Imperial Chemical Industries PLC

its successors and assigns for their own use and behalf, as fully and entirely as the same would have been held by me had this sale, assignment and transfer not been made;

AND I AGREE TO execute upon request and without further consideration any and all instruments and documents for the filing and prosecution of applications for Letters Patent, including original, divisional, continuing, and re-issue applications, for the inventions assigned hereunder and for the assignment of the entire right, title, and interest therein to

Imperial Chemical Industries PLC

its successors and assigns;

AND I DO HEREBY AUTHORISE AND REQUEST The Commissioner of Patents and Trademarks of the United States, and any official of any country, or countries, foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue any said Letters Patent to

Imperial Chemical Industries PLC

its successors and assigns, as sole assignee.

  
BOUSFIELD, Anthony
