ASSIGNMENT

I, **David W. Diamond** of 78 New Boston Road, Dudley, MA 01571, having invented an invention entitled **PLASTIC CONTAINERS AND LIDS**, and having executed on even date herewith an application for United States patent describing the same and based thereon (Attorneys' Docket No. CLEM-1), for good and valuable consideration, the receipt of which is hereby acknowledged from **John Clementi**, 31-B Bullard Road, Princeton, MA 01541 (hereinafter called the Assignee), do hereby sell, assign and transfer unto the Assignee, his heirs, executors, administrators and assigns, my entire right, title, and interest, in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, in and to and under said application and the inventions and any of them therein set forth and described, and any and all patents and like rights of exclusion (including extensions thereof) of any country which may be granted on or for said inventions or any of them or any part thereof or on said application or any divisional, continuing, reissue, or other patent application based thereon;

And for the same consideration I do also hereby sell, assign, and transfer unto the Assignee, his heirs, executors, administrators and assigns, all of my rights under the International Convention for the Protection of Industrial Property and all other treaties of like purpose in respect of said inventions and any of them and all parts thereof and said application, and I do hereby authorize the Assignee, his heirs, executors, administrators and assigns, to apply in my name or his or their own name for patents and like rights of exclusion on or for said inventions or any of them or any part thereof in all countries he so desires, claiming the priority of the filing date of said application under the provisions of said Convention or any such other treaty;

And for the same consideration, I do hereby agree for myself and for my heirs, executors, administrators and assigns, to execute and deliver without further compensation any power of attorney, assignment, original, divisional, continuing, reissue or other application or applications for patent or patents or like rights of exclusion of any country, or other lawful documents and any further assurances that may be deemed necessary or desirable by the Assignee, his heirs, executors, administrators and assigns fully to secure to him or to them said right, title, and interest as aforesaid in and to said inventions and any of them and all parts thereof and in and to and under said several patents and like rights of exclusion (including extensions thereof) or any of them, all, however, at the expense of the Assignee, his heirs, executors, administrators and assigns;

And I do hereby authorize and request the Commissioner of Patents of the United States of America and the corresponding Officer of each country foreign thereto to issue to the Assignee, his heirs, executors, administrators and assigns, any and all patents and like rights of exclusion which may be granted in any country upon said United States application or other applications or any of them or on or for said inventions or any of them or any part thereof.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on the date hereinafter set forth.

Date: 3/29/99 1999
