ASSIGNMENT

WHEREAS, I:

1) Lambertus P. WILLEMEN

Respectively residing at:

1) De Elzent 7, Dorst 4849, Netherlands

has made an invention entitled:

MOVABLE SELECTIVE DEBRIDGING APPARATUS AND METHOD OF DEBRIDGING  
SOLDERED JOINTS ON PRINTED CIRCUIT BOARDS USING SAME

and

☐ is about to make application for United States Letters Patent therefor, the same being executed by us on even date or dates herewith;

☒ have made application for United States Letters Patent thereof, filed February 12, 1999 under Serial Number 09/249,527

and

WHEREAS, SOLTEC B.V., a Netherlands Corporation, having offices at Karolusstraat 20, 4903 RJ Oosterhout, The Netherlands, and its successors, assigns and legal representatives, hereinafter called "the Assignee" (which term shall include its successors and assigns), desires to acquire said invention:

THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I do hereby sell, assign and transfer to the Assignee my entire right, title and interest, in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, in and to and under said invention, and in and to said application (which term shall include hereinafter, where the context so admits, all divisional,

continuing, reissue and other patent applications based thereon and all applications the priority of which is claimed therein) and the improvements (which term shall include each and every such improvement or invention, or any part thereof) therein described, and any and all patents and like rights of exclusion (including extensions thereof) of any country which may be granted on or for said invention, said improvements or said application;

And for the same consideration I do also hereby sell, assign and transfer to the Assignee all my rights under the International Convention for the Protection of Industrial Property and all other treaties of like purpose in respect of said invention, said improvements and said application and we do hereby authorize the Assignee to apply in my name or its own name for patents and like rights of exclusion on or for said invention and improvements in all countries, claiming (if the Assignee so desires) the priority of the filing date of said application under the provisions of said Convention or any such other treaty;

And for the same consideration I do hereby and severally agree for myself and for my heirs, executors and administrators, promptly upon request of the Assignee, to execute and deliver without further compensation any power of attorney, assignment, original, division, continuing, reissue or other application or applications for patent or patents or like rights of exclusion of any country, or other lawful documents and any further assurances that may be deemed necessary or desirable by the Assignee fully to secure to it said right, title, and interest as aforesaid in and to said invention, said improvements, and said several patents and like rights of exclusion, or any of them, all, however, at the expense of the Assignee;

And, in the event of our unavailability or the unavailability of myself, I do hereby authorize Assignee to file, or cause to be filed on my behalf, and in accordance with 37 C.F.R. §1.41(c), any original, division, continuing, reissue or other application or applications for patent or patents or like rights of exclusion of any country, that may be deemed necessary or desirable by the Assignee fully to secure to it said right, title, and interest as aforesaid in and to said invention and said improvements, and we do hereby appoint Assignee attorney in fact to execute

any documents on my behalf which may be necessary to accomplish the foregoing, all, however, at the expense of the Assignee;

And I do hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America and the corresponding officer of each country foreign thereto to issue to the Assignee any and all patents and like rights of exclusion which may be granted in any country upon said application or on or for said invention or improvements;

And I do hereby covenant for myself and for my legal representatives and agree with the Assignee that I have granted no right or license to make, use or sell said improvements to anyone except the Assignee, that prior to the execution of this deed our right, title and interest in and to said improvements have not been otherwise encumbered, and that I have not executed and will not execute any instrument in conflict herewith.

IN WITNESS WHEREOF, I have set my hand and seal hereunto on the date specified below.
