ASSIGNMENT AND AGREEMENT

We, Brian L. Bates, residing at 3718 Exeter Lane, Bloomington, Indiana, 47401, U.S.A., and John A. DeFord, residing at 6051 Aliki Mews, Bloomington, Indiana, 47408, U.S.A. hereby sell, assign, and transfer to **Cook Incorporated**, a corporation of the State of Indiana, having an office at 925 South Curry Pike, Bloomington, Indiana, 47402, U.S.A., and its successors, assigns and legal representatives, hereinafter collectively "Cook", and I, Neal E. Fearnot, residing at 3051 Hamilton, West Lafayette, Indiana, 47906, U.S.A. hereby sell, assign, and transfer to **MED Institute, Inc.**, a corporation of the State of Indiana, having an office at 1400 Cumberland Avenue, West Lafayette, Indiana, 47906, U.S.A., and its successors, assigns and legal representatives, hereinafter collectively "MED", the entire right, title and interest, for the United States of America, in and to certain inventions related to "MEDICAL RADIATION TREATMENT DELIVERY APPARATUS" described in an application for Letters Patent of the United States, filed March 4, 1999, and assigned Serial No. 09/262,620, which application is a continuation-in-part of co-pending application Serial No. 09/150,814, filed September 11, 1998, and all the rights and privileges in said application and under any and all Letters Patent or any continuation, division, renewal, or substitute thereof, and any reissue or re-examination thereof that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Cook and MED, either jointly or individually, the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

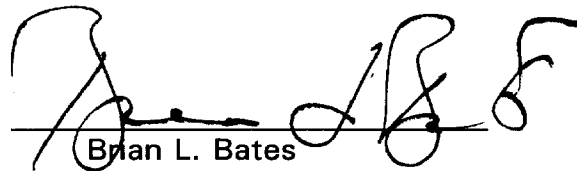

We authorize Cook and MED, either jointly or individually, to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Cook and MED, either jointly or individually, to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Cook and MED, either jointly or individually, in the United States and in all countries foreign to the United States, or to such nominees as Cook and MED, either jointly or individually, may designate.

We agree that, when requested, we shall, without charge to Cook and MED, but at their expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
