ASSIGNMENT

WHEREAS, we, Charles H. Tuckey and J. D. Tuckey, have invented certain improvements in a **DIRECT CYLINDER FUEL INJECTION** for which we have filed application for Letters Patent of the United States of America, Serial No. 09/226,493, filed January 7, 1999; and

WHEREAS, **WALBRO CORPORATION**, a corporation organized and existing under the laws of the State of Delaware and having its principal place of business at 6242 Garfield Avenue, Cass City, Michigan 48726 is desirous of acquiring the entire right, title and interest in and to said application and the invention covered thereby;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, we, Charles H. Tuckey and J. D. Tuckey (deceased), by Jay D. Tuckey and Barbara E. Doerr, Co-Successors Trustees of the J. D. Tuckey Trust of February 20, 1997, by these presents, do hereby sell, assign and transfer, by this nunc pro tunc assignment to be effective October 1, 1998, unto the said corporation and its assigns, for the territory of the United States of America and all foreign countries, the entire right, title and interest, including all priority rights under the International Convention associated with each country of the Union, in and to said invention as described in application, Serial No. 09/226,493, and in and to said application and any Letters Patent that may be granted in pursuance of said application and any divisional, continuation or continuation-in-part application thereof, and in and to any reissue or re-examination of any such patent, and in and to any patent applications which may be filed on said invention in countries foreign to the United States and any Letters Patent granted thereon.

We further authorize said corporation to apply for foreign patents on said invention in its own name or through its designees, including subsidiaries, related companies or assignees, under the International Convention or otherwise, and we further agree to execute all papers, including those required for the United States and foreign applications, and to perform such other proper acts as said corporation may deem necessary to secure to said corporation or its designees the rights herein assigned.
