ASSIGNMENT

WHEREAS, we, John C. Gerdes, of 375 Steele Street, Denver, Colorado; Lynn D. Jankovsky of 19 Belleview Lane, Greenwood Village, Colorado; and, Diane L. Kozwich of 2522 West Dry Creek Court, Littleton, Colorado, have invented a certain new and useful invention entitled "SELF-CONTAINED DEVICE INTEGRATING NUCLEIC ACID EXTRACTION, AMPLIFICATION AND DETECTION", for which an application of Letters Patent of the United States has been prepared for filing, said application being identified as Attorney docket no. IAD-1 and executed on even date herewith;

NOW THEREFORE, be it known that we, the said inventors, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee do sell, assign and transfer unto said assignee, Immunological Associates of Denver, a Colorado corporation having a place of business at 717 Yosemite Circle, Denver, Colorado, 80220, its successors, legal representatives and assigns, the aforesaid application for the territory of the United States of American and all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty, and all applications for extension filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the invention in the United States or any other country; we also assign any right, title or interest in and to the invention which has not already been transferred to the assignee; we warrant that we have made no assignment of the invention, application or patent therefor to a party other than Immunological Associates of Denver and we are under no obligation to make any assignment of the invention application, or patent therefor to any other party; and we further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the invention, but at the expense of said assignee.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to Immunological Associates of Denver, its successors, legal representatives and assigns, as the assignee of the entire right, title and interest therein.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date indicated hereunder.
