ASSIGNMENT

Whereas, I, James O. Burlew, a citizen of the United States, having an address at 2910 S.E. Kentucky Street, Apt. 201, Topeka, KS 66605 having solely made an invention in OIL CONGEALING COMPOSITION, and having executed an application for Letters Patent of the United States of America herewith.

NOW, THEREFORE, for good and valuable consideration, receipt of which is acknowledged, I have agreed to assign and transfer unto Joan E. Docter of 733-D Residenz Parkway, Dayton, Ohio 45429 citizen of the United States, her successors and assigns, the entire right, title and interest in and to the said invention and application, and in and to any division, continuation or continuation-in-part, of said application, and in and to any and all Letters Patent and reissues and extensions thereof of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in her own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted on any of the foregoing to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made;

I do further agree for myself and for my heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments and documents, and to perform such other acts as I lawfully may, that may be deemed necessary by the said **Joan E. Docter**, her successors, assigns, and nominees, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

And I do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of the said applications, to Joan E. Docter, as the assignees of the entire interest therein.

In witness whereof, I have hereunto signed my name on the day and year set forth below.

By: James O. Burlew
