ASSIGNMENT

THIS ASSIGNMENT, effective as of January 27, 1999, is made by me, Robert E. Myers, a citizen of the United States of America, residing in Houston, Texas, hereinafter referred to as Assignor.

WITNESSETH: That,

WHEREAS, I am the sole inventor of certain new and useful improvements disclosed in the patents identified on the attached SCHEDULE A which is made a part hereof and incorporated herein by reference, and in and to all corresponding patents and/or patent applications worldwide, and in and to the inventions represented thereby for which United States Letters Patents have been issued under the patent numbers referenced in SCHEDULE A; and

WHEREAS, **INTERNATIONAL GRATING, INC.**, a corporation having a principal place of business at 7625 Parkhurst, Houston, Texas 77028, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title, and interest in and to said invention as described in said Patents on Schedule A, and in and to any and all Letters Patent which have been or shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold and by these presents do hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, my entire right, title, and interest in and to the said invention and patents, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted, together with the right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors, and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

I further covenant and agree that, at the time of the execution and delivery of these presents (i) I possess full title to the patents identified on SCHEDULE A, and to the best of my knowledge, any inventions disclosed therein, (ii) that I have the unencumbered right and authority to make this assignment, and (iii) that there are no pending continuations, continuations-in-part, or divisions of the patents identified on SCHEDULE A, nor may any be filed hereafter.

I further covenant and agree to bind my heirs, legal representatives, and assigns promptly

to communicate to said Assignee or its representatives any facts known to me relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested that are reasonably required to confirm the right of the Assignee, its representatives, successors or assigns to secure patent or similar protection for the said invention in all countries and to vest in the Assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said Assignee, its successors, assigns, and other legal representatives.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on this 8th day of March, 1999.
