ASSIGNMENT

WHEREAS, I, Raymond Theriault, residing at 517 Chemin du Fer a Cheval, Masson-Angers, Quebec J8M 1L8, Canada, have made an invention in **HIGH PRESSURE RECIPROCATING SUCTION ROLL SHOWER** (File No.OHH-P-06), and have executed, on even date, said application for Letters Patent of the United States of America thereon;

Now, therefore, in consideration of my salary and past employment by Bowater Pulp and Paper Canada Inc., and of other good and valuable consideration, receipt of which is acknowledged, I have agreed to assign and transfer and do hereby assign and transfer unto Bowater Pulp and Paper Canada Inc., a corporation organized under the laws of the Province of Quebec, and having its Corporate Office at 1250 Rene-Levesques Boulevard West, Montreal, Quebec H3B 4Y3, Canada, its successors and assigns, the entire right, title and interest in and to the said invention and application, and in and to any division, reissue, continuation or continuation-in-part and extensions of said application, and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted on any of the foregoing to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made;

I do further agree for myself and for my heirs, executor and administrator, to execute and deliver without further consideration any further applications, assignments and documents, and to perform such other acts as I lawfully may, that may be deemed necessary by the said Bowater Pulp and Paper Canada Inc., its successors, assigns and nominees, fully to secure its interest as aforesaid and to obtain, maintain, and enforce Letters Patent in any and all countries;

And I do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all Letters Patents which may be granted upon any of the said applications, to the said Bowater Pulp and Paper Canada Inc., as the assignee of the entire right, title and interest therein.

IN WITNESS WHEREOF, I have hereunto signed my name.

WITNESSETH:

INVENTOR: Raymond Theriault
