ASSIGNMENT

For value received, the receipt, sufficiency and adequacy of which is hereby acknowledged, I, Joel Starr residing at 2107 Musket Ridge, Richmond, TX 77469, USA, hereby sell, assign and transfer unto PGS Tensor, Inc., a Delaware corporation, having principal place of business at 10550 Richmond, Suite 300, Houston, TX 77042 all of my right, title and interest in and to all inventions disclosed and/or claimed in a certain patent application for United States Letters Patent filed in the United States Patent and Trademark Office concurrently with this assignment and entitled METHOD OF CREATING COMMON-OFFSET/Common-AZIMUTH GATHERS IN 3-D SEISMIC SURVEYS AND METHOD OF CONDUCTING REFLECTION ATTRIBUTE VARIATION ANALYSIS (Attorney Docket P30078US); all of my right, title and interest in and to any patent application and any patent deriving therefrom, and in and to any patent applications filed either singly or jointly by me for any of said inventions, including all divisions, reissues, continuations, extensions, substitutions and applications foreign to the United States, together with all right to make application for and obtain patent protection for said invention or inventions in any and all countries foreign to the United States and specifically including the right to claim priority under the terms of the Paris Convention, the Patent Cooperation Treaty, and any other international convention or treaty, based on said application or Letters Patent in the United States; and all of my right, title and interest in and to all patents granted on said invention or inventions.

And I hereby authorize and request the Commissioner of Patents and Trademarks or any other proper officer to issue all Letters Patents granted on said invention or inventions or resulting from said application and from any and all divisions, continuations, and reissues thereof, to PGS Tensor, Inc., as assignee of my entire interest.

And I further hereby covenant and agree that I will, at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title of said invention and to such Letters Patent as may be granted therefor, to PGS Tensor, Inc., its successors, assigns, or other legal representatives. I further covenant and agree to file any divisional or continuation applications or to secure a reissue of such Letters Patent, or to file a disclaimer relating thereto, and I will upon request, sign all papers, make all rightful oaths and continuation application, or such application for reissue and the continuation application, or such application for reissue and the procuring thereof, and for the filing of such disclaimer, without further compensation but at the expense of said assignee, its successors, or other legal representatives.

And I further covenant and agree that I will, at any time upon request, communicate to PGS Tensor, Inc., its successors, assigns or other legal representatives, such facts relating to said invention and Letters Patent or the file history thereof as may be known to me, and testify as to the same in any interference or other litigation when requested so to do, without further compensation but at the expense of said assignee, its successors, or other legal representatives.

EXECUTED this 3 day of MARCH, ¹⁹⁹⁸~~1997~~
