- (a) as described and/or claimed in any and all U.S. applications for Letters Patent based on the application therefor, including without limitation divisions, continuations, and reissues thereof;
- (b) as described and/or claimed in any and all foreign applications for Letters Patent corresponding to any of the foregoing, including without limitation foreign divisions, continuations, and reissues thereof;
- (c) any and all rights of priority in any of the foregoing;

- (d) any and all U.S. and foreign Letters Patent issuing on any of the foregoing applications to the full ends of the terms thereof; and
- (e) all contractual rights, licenses, and choses in action of every kind that now are, or that may at any time hereafter be, due or owing to or owned by Assignor based on any of the foregoing applications and Letters Patent (except for the consideration from Assignee for the present assignment).

The Assignors hereby represent and warrant to the Assignee that the Assignors are the owner of the entire right, title, and interest in the Intellectual Property.

For good and valuable consideration, the receipt of which is hereby acknowledged, the Assignors do hereby sell, assign, and transfer to the Assignee the entire right, title, and interest in and to the Intellectual Property, the same to be held and enjoyed by the Assignee to the full extent of the present assignment.

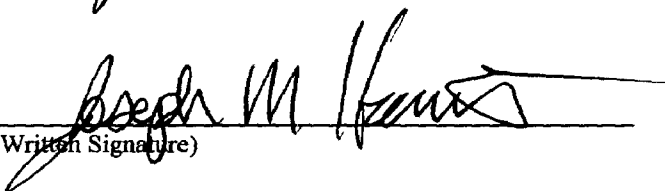

The Assignors hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from any and all U.S. applications of the Intellectual Property to the Assignee.

The Assignors hereby authorize the Assignee to make applications for and to receive Letters Patent for the Intellectual Property in any foreign country in its own name.

The Assignors hereby covenant and agree that, upon the request and at the expense of the Assignee, without further compensation the Assignors will:

- (a) execute or procure any further necessary assurance of title to the Intellectual Property;
- (b) execute any truthful papers and deliver any truthful testimony in any legal proceedings that may be necessary or desirable to perfect the Assignee's title to or enforce the Assignee's rights in the Intellectual Property; and
- (c) execute any continuations, divisions, reissues, or any other additional applications for Letters Patent of the Intellectual Property or any part or parts thereof and make all rightful oaths, and do all lawful acts requisite for procuring the same therein.
