MEMORANDUM OF ASSIGNMENT

MEMORANDUM OF ASSIGNMENT, made this 15th day of April, 1993, by Static Control Components, Inc., a corporation of the State of North Carolina, Assignor, to Santronics, Inc., a corporation of the State of North Carolina, Assignee.

RECITALS

WHEREAS, Assignor was previously the sole owner of the letters patent of the United States 5,103,165, issued April 7, 1992, for INSULATED HAND-HELD NON-CONTACTING VOLTAGE DETECTION PROBE, issued to the Assignor (the "Patent");

WHEREAS, the Assignment to Assignor by the original inventor is recorded in the United States Patent and Trademark Office at reel 5828, frame 875;

WHEREAS, on or about May 1, 1992, Assignor assigned to Assignee by oral agreement said Patent; and

WHEREAS, Assignor agreed as part of said oral assignment to execute all instruments and documents and to perform all acts which may be necessary to carry the Assignment into full effect and, Assignor and Assignee now desire to memorialize their oral assignment in the writing;

NOW, THEREFORE, in consideration of the sum of ten dollars (\$10.00), and other good and valuable consideration, receipt of which is hereby acknowledged, the Assignor and Assignee agree as follows:

1. The parties agree that:

a. Effective May 1, 1992, Assignor assigned to Assignee, its legal representatives, successors, and assigns, and Assignee accepted from Assignor, all of Assignor's right, title and interest in and to the said letters patent and the improvements therein, such right, title and interest to be held to the full end of the term for which said letters patent or any reissues, renewals, re-examinations or extensions thereof are or may be granted.

b. Effective May 1, 1992, Assignor assigned to Assignee, its legal representatives, successors and assigns, and Assignee accepted from Assignor, all interests, claims and rights for damages and profits by reason of any past infringement or unauthorized use of said letters patent and the right to sue therefor, such interests, claims and rights to be held to the full end of the term for which said letters patent or any reissues, renewals, re-examinations or extensions thereof are or may be granted.

2. To the extent Assignor retains, or continues to hold, any claims, rights, title or interests in and to said Patent or any improvements therein, it hereby assigns to Assignee, its legal representatives, successors, and assigns, and Assignee hereby accepts from Assignor, all such claims, rights, title and interest including without limitation the following:

a. All of Assignor's right, title and interest in and to said letters patent and improvements therein, such right, title and interest to be held to the full end of the term for which said letters patent or any reissues, renewals,

re-examinations or extensions thereof are or may be granted.

- b. All interests, claims and rights for damages and profits by reason of any past infringement or unauthorized use of said letters patent and the right to sue therefor, such interests, claims and rights to be held to the full end of the terms for which said letters patent or any reissues, renewals, re-examinations or extensions thereof are or may be granted.

3. As Assignor previously agreed as part of the oral assignment, it does hereby agree to execute all instruments and documents and to perform all acts necessary to carry the Assignments into full effect.

4. This Assignment shall bind Assignor, its legal representatives, successors and assigns.
