

# ASSIGNMENT

Serial No: 5,813,700  
Filed: September 29, 1998  
Title: METHODS OF FOLDING OUTSERTS

For good and valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assigns to Joseph M. Vijuk (hereinafter "Assignee"), his successors and assigns, his entire right, title and interest in the invention or improvements of U.S. Patent No. 5,813,700, including the right to sue and collect damages for past infringement, and in any and all applications and patents, both United States and foreign, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension thereof.

The undersigned warrants himself to be the owner of the interest herein assigned and to have the right to make this assignment and further warrants that there are no outstanding prior assignments, licenses, or other rights in the interest herein assigned.

For said consideration the undersigned hereby agrees, upon the request and at the expense of said assignee, his successors and assigns, to execute any and all divisional, continuation, continuation-in-part and substitute applications for said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted, and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said assignee, his successors or assigns, may deem necessary or expedient, and for said consideration the undersigned further agrees upon the request of said assignee, his successors or assigns, to perform, upon request, any and all affirmative acts to obtain said Letters Patent, both United States and foreign, and vest all rights therein hereby conveyed in said assignee, his successors and assigns, whereby said Letters Patent will be held and enjoyed by said assignee, his successors and assigns, to the full end of the term of said Letters Patent granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.

WITNESS my hand this 20th day of April, Nineteen Hundred and Ninety-Nine.
