## ASSIGNMENT

WHEREAS I have invented new and useful improvements in an invention entitled: **Self-Contained Hydraulic ESD System**, for which an application for United States Letters Patent is executed concurrently herewith, and for which an application was filed on or about March 23, 1999 in the Canadian Patent Office;

AND WHEREAS **Argus Machine Co. Ltd.**, an Alberta corporation, of **5820 - 97 Street, Edmonton, Alberta, Canada, T6E 3J1**, (Assignee) has acquired from me my whole interest for the United States of America and all other countries in the invention and in any Letters Patent that may be obtained therefor, and in the application,

NOW THEREFORE, in consideration of the sum of One Dollar, and other good and valuable consideration, the receipt and sufficiency of all of which is hereby acknowledged, I confirm that I have assigned and do hereby assign to the Assignee, all of my interest in the invention in the United States of America, Canada and all other countries and all of my interest in any Letters Patent which may be granted therefor, and all of my interest in the application, and in any divisions, continuations, continuations-in-part, re-issues and extensions of the application.

I agree that I will without further consideration, but at the expense of Assignee, do all such things and execute all such documents as may be necessary or desirable to obtain and maintain patents for the invention and for additions and modifications thereto in any country, and to vest title thereto in the Assignee, its successors, assigns and legal representatives or nominees, and I authorize Assignee to claim all rights of priority.

I hereby authorize and request the Commissioner of Patents and Trade Marks to issue Letters Patent to the Assignee for its sole use and benefit, and of its successors and assigns, to the full end of the term and for which Letters Patent may be granted as fully and entirely as the same would have been held by me had this assignment not been made.

SIGNED this 26 day of March, 1999, at Edmonton, Alberta, Canada.
