ABRAMOVICI 12-9-1

ASSIGNMENT AND AGREEMENT

For value received, we, Miron (NMI) Abramovici of Berkeley Heights in the County of Union and State of New Jersey; Charles Eugene Stroud of Lexington in the county of Fayette and State of Kentucky and Sajitha S. Wijesuriya of Lexington in the county of Fayette and State of Kentucky hereby sell assign and transfer to Lucent Technologies Inc., a corporation of the State of Delaware, having an office at 60 Mountain Avenue, P.O. Box 636, Murray Hill New Jersey 07974-0636, U.S.A. and its successors, assigns and legal representatives, 50% of the right, title and interest and the University of Kentucky Research Foundation, a corporation of the Commonwealth of Kentucky and having an office at AsteCC Building, Room A144, Lexington, Kentucky 40506-0286, U.S.A. and its successors, assigns and legal representatives, 50% of the right, title and interest for the United States of America, in and to certain inventions related to METHOD AND APPARATUS FOR TESTING FIELD PROGRAMMABLE GATE ARRAYS described in an application for Letters Patent of the United States, executed by me of even date herewith, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Lucent Technologies Inc. and the University of Kentucky Research Foundation (50% each) the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Lucent Technologies Inc. and University of Kentucky Research Foundation (50% each) to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Lucent Technologies Inc. and University of Kentucky Research Foundation (50% each) to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Lucent Technologies Inc. and University of Kentucky Research Foundation (50% each) in the United States and in all countries foreign to the United States, or to such nominees as Lucent Technologies Inc. and University of Kentucky Research Foundation (50% each) may designate.

ABRAMOVICI 12-1-1

We agree that, when requested, we shall, without charge to Lucent Technologies Inc. or University of Kentucky Research Foundation but its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents or other forms of protection.
