ASSIGNMENT

Kenneth James Gundry, a resident of the City of San Francisco, County of San Francisco, State of California, herein referred to as **ASSIGNOR**, is the sole inventor of a new and useful invention entitled "Compatible Matrix-Encoded Surround-Sound Channels in a Discrete Digital Sound Format" by Kenneth James Gundry, for which he has made application for Patent of the United States, such invention being described in and identified by United States Patent Application Serial No. **09/245,573**, filed **February 5, 1999**, attorney's docket number **DOL066**.

DOLBY LABORATORIES LICENSING CORPORATION, a corporation of the State of New York, having a place of business at 100 Potrero Avenue, San Francisco, California 94103, hereinafter referred to as **ASSIGNEE**, is desirous of acquiring the entire right, title and interest in and to said application and said invention, in and to any and all improvements relating to said invention, and in and to Letters Patent thereon, when granted in the United States and all foreign countries.

In consideration of the employment of **ASSIGNOR** by **ASSIGNEE** or by Dolby Laboratories, Inc., a corporation of the State of California, of which **ASSIGNEE** is a wholly owned subsidiary, and for other good and valuable consideration:

1. **ASSIGNOR** sells, assigns, transfers and conveys unto **ASSIGNEE**, the entire right, title and interest:
 - (a) in and to said invention, improvements, application, and each and every additional application filed anywhere in the world, whether or not the country of filing is a member of the International Union for the Protection of Industrial Property (The Paris Convention), which additional application is a division, substitution, continuation or continuation-in-part of or is based on said application or which additional application relates to said invention and improvements;
 - (b) all priority rights associated with the filing of each and every such application, for each country of The Paris Convention, and
 - (c) in and to each and every Patent on said invention and improvements that may be granted by any country, including each and every Patent that may be granted on any of the applications referred to in sub-section (a), and in and to each and every reissue, re-examination or extension of each and every such Patent.
2. **ASSIGNOR** warrants, covenants and represents the fact that he has not heretofore granted any license, right or privilege in respect to the said invention or said application to any other, or in any other way encumbered the same, and that he has the full right to sell, assign, transfer and convey, free of all licenses and encumbrances, the entire interest hereby assigned.

3. ASSIGNOR covenants that at the request and expense of ASSIGNEE he will promptly execute all papers necessary or desirable to perfect ownership of said invention, applications and said Patent to ASSIGNEE, and execute all oaths, declarations and other papers necessary or desirable for prosecuting said applications and Patent, for use in interference proceedings involving said invention, applications and Patent, for use in opposition proceedings involving said invention, applications and Patent, for refiling said applications, for filing of divisional, substitution, continuation or continuation-in-part applications deemed necessary or desirable by ASSIGNEE, for reissuance or re-examination of said Patent, or for the filing in foreign countries of applications for Patent counterpart to or based on said application or to an application which is a division, substitution, continuation or continuation-in-part of said application or which application relates to said invention and improvements. ASSIGNOR further covenants and agrees that at the expense and request of ASSIGNEE, he will promptly assist ASSIGNEE in interference and opposition proceedings involving said invention, applications and Patent, and in litigation involving said invention, applications and Patent, and will assist in the ascertainment of facts and the production of evidence relating to said invention, applications and Patent.
4. The terms, covenants and provisions of this assignment shall inure to the benefit of ASSIGNEE, its successors, assigns and other legal representatives, and shall be binding upon ASSIGNOR, his heirs, legal representatives and assigns.

Dated: April 15th, 1999

Kenneth James Gundry
ASSIGNOR

STATE OF CALIFORNIA
COUNTY OF SAN FRANCISCO

On this 15 day of April, 1999, before me, the undersigned Notary Public, personally appeared the above-named Assignor, personally known to me/or/ proved to me on the basis of satisfactory evidence to be the person whose name is subscribed to this Assignment, and acknowledged to me that he executed the same in his authorized capacity, and that by his signature on this Assignment the Assignor, or the entity upon behalf of which the Assignor acted, executed this Assignment.
