ASSIGNMENT

As below-named inventors of the patent application entitled

**Systems, Apparatus and Processes to Verify a Person's  
Age to Determine if the Person is Authorized**

Attorneys' Docket No. 4019-002000 (S.N. 08/877,711)

We hereby sell, assign and transfer to Express Technology, Inc., (hereinafter referred to as ASSIGNEE), for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the full and exclusive right, title and interest to said invention in the United States and its territorial possessions and in all foreign countries and to all Letters Patent or similar legal protection in the United States and its territorial possessions and in all foreign countries to be obtained for said invention by said application or any division, continuation, continuation-in-part, renewal, substitute, extension or reissue thereof or any legal equivalent thereof in any foreign country for the full term or terms of which the same may be granted, and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based upon such application in the United States,

and we also hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment and sale,

and we further hereby covenant that we will, upon ASSIGNEE'S request, promptly provide ASSIGNEE with all pertinent facts and documents, relating to said application, to any invention disclosed therein, or to any of said Letters Patent or legal equivalents thereof in the United States or in foreign countries, as may be known and accessible to me, and that we will testify and give evidence as to the same in any litigation or interference which may arise, and that we will promptly execute and deliver to ASSIGNEE or its legal representative any and all papers, instruments or affidavits which may be required, necessary or desirable for the purpose of applying for, obtaining, maintaining, issuing or enforcing said application and said Letters Patent and said equivalents thereof in the United States or in any foreign country;

AND WE HEREBY AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted on said invention to ASSIGNEE, its successors and assigns
