ASSIGNOR further sells, assigns, and transfers to ASSIGNEE and the successors, assigns, and legal representatives of ASSIGNEE, the entire right, title, and interest in and to: (1) all priority rights derived from the Patent and its applications by virtue of the International Convention for the Protection of Industrial Property for any and all member countries of the International Convention, (2) the sole right to file applications for patents under the patent laws of any country in the world in ASSIGNEE's name, and the sole right to have patents granted on the applications in ASSIGNEE's name to the full end of the term for which the patents may be granted, as fully and entirely as the same would have been held by ASSIGNOR had this Assignment not been made, and (3) to enforce the Patent with the right to sue for and recover for ASSIGNEE's own use accrued profits or damages for any and all infringements, including but not limited to, past infringements with respect to which ASSIGNOR hereby waives any right to receive any portion.

ASSIGNOR hereby covenants that it has the full right to make this Assignment and that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Assignment.

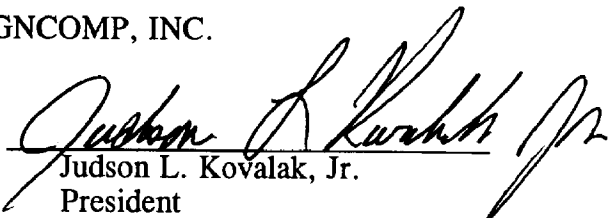

ASSIGNOR further covenants that ASSIGNEE will, upon ASSIGNEE's request: (1) be provided promptly with all pertinent facts and documents relating to the Patent and legal equivalents as may be known and accessible to ASSIGNOR, (2) testify as to the same in any interference, litigation, or proceeding related thereto, and (3) promptly execute and deliver to ASSIGNEE, or its legal representatives, any and all papers, instruments, and affidavits required to apply for, obtain, maintain, issue, and enforce the Patent and equivalents thereof, which may be necessary or desirable to carry out the purposes hereof.

IN WITNESS WHEREOF, ASSIGNOR has executed this Assignment as of the date indicated below.
