PATENT ASSIGNMENT

WHEREAS, Aydin Corporation, a Delaware corporation ("Assignor"), is the owner of the entire right, title and interest in and to the United States of America Letters Patent and the patent application set forth in Exhibit A; and

WHEREAS, DV Acquisition Corporation, a Georgia corporation (the "Assignee"), is desirous of acquiring Assignor's entire right, title and interest in and to the United States of America Letters Patent and the patent application set forth in Exhibit A;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells and assigns to Assignee, its successors and assigns, its entire right, title and interest in and to the said Letters Patent and in and to the said application and all patents which may be granted therefor, and all divisions, reissues, substitutions, reexaminations, continuations, and extensions thereof; and Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue all patents resulting therefrom, to Assignee.

Assignor also hereby sells and assigns to Assignee, its successors and assigns, all foreign rights to the inventions disclosed in said Letters Patent and Application, in all patent-granting countries of the world, including the right to file applications and obtain patents for said inventions in said countries and including all rights of priority in said countries under the terms of the International Convention for the Protection of Industrial Property, and further agrees to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such patent rights.

Assignor also hereby agrees to communicate to Assignee, its successors, assigns, and representatives, any facts known respecting any improvements, and at the request and expense of Assignee, to testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue, substitute, reexamination and continuation applications, make all lawful oaths, and generally do everything possible to aid Assignee, its successors, assigns and representatives, to obtain and enforce proper patent protection for said invention in all countries.

IN WITNESS WHEREOF, ASSIGNOR, intending to be bound, hereunto sets its hand and seal this 17th day of November, 1998.
