U.S. Patent Application Serial No. 09/250,586 Filed: February 16, 1999

In consideration of TEN DOLLARS (\$10.00) and other good and valuable considerations, the receipt and sufficiency whereof are hereby acknowledged, we, Nick L. Wilson and Frank Thibideau, hereby assign to Morrison Timing Screw Company (hereinafter referred to as "Assignee"), a corporation of Illinois, having a principal place of business at 335 West 194th Street, Glenwood, Illinois 60425, its successors, legal representatives and assigns, the entire right, title and interest in the United States in our invention or improvements in LIGHT BOX FOR COUNTER OR WALL DISPLAY and in the application for Letters Patent of the United States therefor, executed by us as joint inventors on the 12th day of February, 1999, and any and all other United States applications which we may file, either solely, jointly, or jointly with others, on said invention or improvements and in any and all Letters Patent of the United States which may be obtained on any of the said applications and in any reissue or extension thereof.

We hereby authorize and request the Commissioner of Patents to issue said Letters Patent to said Morrison Timing Screw Company.

We hereby authorize and request the attorney of record in said application to insert in this Assignment the date and serial number of said application when officially known.

We warrant ourselves to be the owners of the interest herein assigned and to have the right to make this assignment, and further warrant that there are no outstanding prior assignments, licenses, or other rights in the interest herein assigned.

For said considerations, we hereby agree, upon the request and at the expense of said Assignee, its successors, legal representatives and assigns, to execute any and all non-provisional, divisional, continuation, and renewal applications for said invention or improvements, and any necessary oath or declaration or supplemental oath or declaration or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application that said Assignee, its successors, legal representatives and assigns, may deem necessary or expedient; and, for the said considerations, we further agree, upon the request of said Assignee, its successors, legal representatives and assigns, in the event of said application or any division or continuation thereof becoming involved in an interference, to cooperate to the best of our ability with said Assignee, its successors, legal representatives and assigns, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, hereby agreeing to perform upon such request any and all affirmative acts to obtain said Letters Patent and vest all rights therein hereby conveyed in the said Assignee, its successors, legal representatives and assigns, and whereby said Letters Patent will be held and enjoyed by the said Assignee, its successors, legal representatives and assigns, to the end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by us if this Assignment and sale had not been made; and, for the said considerations, we hereby also assign to said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in said invention or
