ASSIGNMENT

WHEREAS, Octropa B.V. renamed Unilever Patent Holdings BV of Oliver Van Noortlaan 120, 3133 At Vlaardingen, The Netherlands, a company created and existing under the laws of The Netherlands, has acquired the entire right, title and interest, by assignment, in and to the following Letters Patent of the United States of America and the applications for Letters Patent of the United States of America as set out in the attached schedule.

AND WHEREAS, Unichema Chemie B.V. of Buurtje 1, 2802 BE Gouda, The Netherlands, a company created and existing under the laws of The Netherlands, is desirous of acquiring the entire right, title and interest in and to the above listed United States Letters Patent and applications for United States Letters Patent and the inventions covered thereby;

NOW, THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt whereof is hereby acknowledged, the said Unilever Patent Holdings BV has assigned, sold and transferred, and by these presents does assign, sell and transfer unto the said Unichema Chemie B.V. the entire right, title and interest in and to the said inventions, in the United States and its territorial possessions and the entire right, title and interest in and to said listed Letters Patent and applications for Letters Patent, and in and to any and all Letters Patent which may be granted on said applications in the United States and its territorial possessions and in and to any and all divisions, reissues, continuations and extensions thereof, the same to be held and enjoyed by the said Unichema Chemie B.V., its successors, assigns and legal representatives, to the full end of the term for the said listed Letters Patent and any and all Letters Patent which may be granted on said applications as fully and entirely as the same would have been held and enjoyed by Unilever Patent Holdings BV. if this assignment had not been made.

Unilever Patent Holdings BV. hereby authorises and requests the Commissioner of Patents and Trademarks to issue any and all of the Letters Patent on said applications, when granted, to said Unichema Chemie B.V. as the assignee of Unilever Patent Holdings BV, entire right, title and interest in and to the same, for the sole use and enjoyment of said Unichema Chemie B.V., its successors and assigns.

Further, Unilever Patent Holdings BV agrees that it will communicate to said Unichema Chemie B.V. or its representatives, any facts known to it or to the inventors listed in the above listed Letters Patent and applications for Letters Patent respecting said inventions, and have said inventors testify in any legal proceedings, sign all lawful papers, execute all divisions, continuations, substitution, renewal and reissue applications, and execute all necessary assignment papers to cause said applications to be issued as Letters Patent to said Unichema Chemie B.V., its successors and assigns, in order for Unichema Chemie B.V. to obtain and enforce proper protection for said inventions in the United States and its territorial possessions.
