ASSIGNMENT

WHEREAS:

I, Greg Johnson, a citizen of the United States of America residing at 1931 Seascape Boulevard, Aptos, California, made an invention (Invention) disclosed and claimed in an application for United States Letters Patent Application (Application) filed herewith, entitled Director Element for Radio Devices, and further identified by attorney docket number 22,958-35; and

RangeStar International Corporation, a corporation organized and existing under the laws of the State of Delaware, and having a principal place of business at 4030 Moorpark Avenue, Suite 220, San Jose, California 95117, is desirous of acquiring the Invention, and any and all United States and foreign patents that may be granted on said Invention;

NOW, THEREFORE, Be It Known that for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, I, Greg Johnson, have sold, assigned and transferred, and do hereby sell, assign and transfer unto said RangeStar International Corporation my entire right, title and interest in and to said Invention, said Application and any continuations or foreign counterparts thereof, and any and all United States and foreign patents that may be granted on said Invention.

I covenant that I have not executed any instrument or taken any action contrary to this Assignment, nor will I do so in the future, and further covenant that I or my executors, administrators, representatives or assigns will execute all papers, assignments or other documents as requested by RangeStar International Corporation will provide testimony by affidavit or otherwise on behalf of RangeStar International Corporation in any proceeding before the U.S. Patent and Trademark Office, foreign patent office, state or federal court, or other decision-making body, and in general will cooperate fully with RangeStar International Corporation or its successors and assigns in the endeavor to secure, perfect, maintain or enforce any rights under said Invention, said Application, or any patents granted on said Invention.

The Commissioner of Patents, and the officials with comparable authority over patents in foreign countries, are hereby authorized and directed to issue, in accordance with this Assignment, any and all patents which may be granted as a result of said Application or any such continuations or counterparts thereof, or otherwise granted on the said Invention.

Signed at WATSONVILLE, CA. 95076, this 14th day of May, 1999.
