

WHEREAS, we, William Jordan Yarborough and Jia Jin Zhuang, as assignors, have invented certain improvements in SECURED SESSION SEQUENCING PROXY SYSTEM AND METHOD THEREFOR for which an application for United States Letters Patent has been executed by me of even date herewith; and

WHEREAS, The Chase Manhattan Bank ("Chase"), a banking corporation organized under the laws of the State of New York and having a principal place of business at 270 Park Avenue, New York, New York 10036, as assignee, is desirous of acquiring all right, title and interest in and to said invention and any Patent that may be granted therefor.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, we, as assignors, hereby sell, assign and set over to said assignee the entire right, title and interest for the United States and all other countries in and to said invention and the aforesaid application for Patent, all original, divisional, continuation, substitute or reissue applications and patents applied for or granted therefor in the United States and all other countries, including all rights of priority from the filing of said application, and all rights for past infringement. The Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said inventions or resulting therefrom to said assignee herein, as assignees of the entire interest herein. The undersigned for ourselves and our legal representatives, heirs and assigns do hereby agree and covenant to execute and deliver all divisional, continuation, reissue and other applications for Patent on said inventions and all assignments thereof to said assignee or its assigns. We further agree to communicate to said assignee or its representatives all facts known to the undersigned respecting said inventions, whenever requested, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths, and to do generally everything necessary to assist assignee, its successors, assigns and nominees to obtain patent protection for said invention in the United States and all other countries.

The expenses incident to said applications to be borne and paid by Chase as follows: (i) Chase will reimburse the assignors for all future (after the execution of the Documents) (Documents shall mean this assignment and the review and execution of the patent application described herein) reasonable out of pocket expenses, actually incurred, at Chase's request, following submission of supporting documentation, in connection with the subject application; (ii) Chase will pay the assignors \$250.00 per hour or their then current hourly rate, which ever is less, for all future (after the execution of the Documents) activity undertaken by the assignors in connection with the subject application; and (iii) Any costs or fees the assignors incur in connection with the execution of these Documents must be absorbed by the assignors.
