ASSIGNMENT BY A JOINT INVENTOR

WHEREAS, I, the undersigned, hereby referred to as Assignor, have invented jointly with Andrew D. Mawby an invention in

GLOVE BOX DOOR WITH INTEGRAL LATCH MOUNT

for which we are about to make United States application for patent; and

WHEREAS, Noble Component Technologies, Inc., a Michigan corporation, having a place of business at 20101 Hoover, Detroit, Michigan 48205 hereinafter referred to as Assignee, is desirous of acquiring an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt whereof is hereby acknowledged, Assignor by these presents does sell, assign and transfer unto Assignee(s), its successors in interest, Assignor's full and exclusive right in the United States of America and all foreign countries, including the right to claim priority under the laws of the United States and the Paris Convention, to the said invention as described in the specification executed by Assignor of even date preparatory to filing a United States application for patent therefor, said invention and all United States applications for patent and all Letters Patent therefor, to be held and enjoyed by Assignee(s), to the full end of the term for which said Letters Patent are granted and any extensions thereof, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made; and Assignor hereby covenants and agrees to execute all instruments or documents required or requested for the making and prosecution of applications for patent in the United States and in all foreign countries, for litigation and prosecution regarding, or for the purpose of protecting title to, the said invention, the United States application for patent, or Letters Patent therefor for the benefit of Assignee(s) without further or other compensation than that above set forth; and Assignor hereby requests the Commissioner of Patents and Trademarks to issue said Letters Patent of the United States of America to Assignee(s).
