ASSIGNMENT of WORLDWIDE RIGHT, TITLE AND INTEREST

WHEREAS, I,

Roy Coniglione

of

**5435 Heathridge Terrace
Duluth, Georgia 30155, U.S.A.**

have solely invented an Invention comprising certain new and useful improvements in a

HOLLOW-TUBE BRACHYTHERAPY DEVICE

that is described in an application for United States Letters Patent that has the assigned application number 08/563,050 and that was filed in the United States Patent and Trademark Office on November 27, 1995.

WHEREAS, **IBt TECHNOLOGY PARTNERS**, a partnership having its principal offices located at

**5435 Heathridge Terrace
Duluth, Georgia 30155, U.S.A.**

(hereinafter referred to as the "Assignee"), is desirous of acquiring the entire right, title, and interest in and to said Invention, and in and to any Letters Patent that may be granted therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and of other good and valuable considerations, receipt of which is hereby acknowledged by me, I, intending to be legally bound, do hereby sell, assign, and transfer to the Assignee and Assignee's legal representatives my entire right, title and interest together with all rights of priority, in said Invention, as described and/or claimed in said application for United States patent and any and all applications for Letters Patent, in any country or jurisdiction, based in whole or in part thereon, including divisions, continuations and continuations-in-part thereof as well as all foreign counterparts and all applications containing disclosure in common therewith, together with all Letters Patent in any country or jurisdiction arising from any of the aforesaid applications, as well as any and all reissues and reexaminations thereof, the same to be held and enjoyed by Assignee, its successors and assigns, to the full ends of the terms of all said Letters Patent therefor which may be granted.

I hereby authorize and request the Patent Office officials in the United States and all foreign countries or jurisdictions to issue any and all of said Letters Patent, when granted, to Assignee, as the Assignee of my entire right, title and interest in and to the same, for the sole use and behoof of Assignee, its successors and assigns. I hereby authorize the Assignee to make application for and to receive Letters Patent for said invention in any foreign countries or jurisdictions in its own name, or my name, at its election.

Further, I hereby agree to communicate to Assignee, or its representatives, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitution, renewal, reissue and related United States and foreign applications and declarations relating thereto, execute all necessary claims of priority and assignment papers to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths, and generally to do everything possible to aid Assignee, its successors and assigns, to obtain and enforce protection for said invention in the United States and in any and all foreign countries or jurisdictions. The rights and property herein conveyed by me are free and clear of any encumbrances.

I hereby authorize Gerry J. Elman, Registration No. 24,404 and Allan H. Fried, Registration No. 31,253 of the firm Elman & Fried, to correct errors in this Assignment document and to insert any further identification or information necessary or desirable to make this Assignment recordable in the United States Patent and Trademark Office, or elsewhere.
