## PATENT ASSIGNMENT

WHEREAS We, Maris J. Lans and Daniel E. Purvis (hereinafter referred to as "Assignors"), depose and say that we are Citizens of the United States and individuals residing at 14460 Fallscliff Lane, Centreville, Virginia 20120 and 1117 North Graham Avenue, Indianapolis, Indiana 46219 respectively and have invented certain new and useful improvements on **IMPROVED INTRACORONALLY SUPPORTED PONTIC** for which we have filed an application for United States Letters Patent on even date herewith, and entitled **IMPROVED INTRACORONALLY SUPPORTED PONTIC**.

WHEREAS, EASTFLEX CORP. (hereinafter referred to as "Assignee") a corporation duly organized and existing under the laws of the United States, having a place of business at 1117 North Graham Avenue, Indianapolis, Indiana 46219, is desirous of acquiring our entire right, title and interest in and to the said invention, and in and to the said application and any Letters Patent that may issue therefrom;

NOW THEREFORE, for and in consideration of One (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, we do hereby sell and assign to Assignee, its successors and assigns, the entire right, title and interest in and to the said invention and in and to the said application and all patents which may be granted therefrom, and all divisions, reissues, substitutions, continuations, and extensions thereof; and we hereby authorize and request the Commissioner of Patents to issue all patents for said invention, or patents resulting therefrom, insofar as their interest is concerned, to the said Assignee of their entire right, title and interest;

Assignor also hereby sells and assigns to Assignees successors and assigns, its foreign rights to the invention disclosed in said application, in all patent granting countries of the

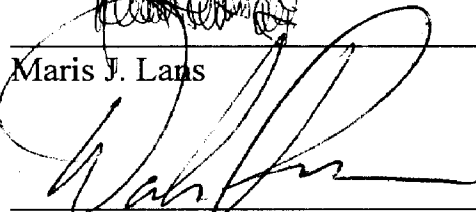

world, including the right to file applications and obtain patents for said invention in Assignee's own name in said countries and including all rights of priority in said countries under the terms of the International Convention for the Protection of Industrial Property, and Assignor further agrees to execute any and all patent applications, and any other papers in connection therewith necessary to perfect such patent rights;

Assignor hereby further agrees that they will communicate to said Assignee or to its successors, assigns and legal representatives, any facts known to them respecting said invention, and at the expense of said Assignee, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue and substitute applications, make all lawful oaths, and generally do everything possible to aid said Assignee, its successors, assigns and nominees to obtain and enforce proper patent protection for said invention in all countries.

IN WITNESS WHEREOF, I have set my hand and seal this 19th day of

January, 1999.
