## ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, Deborah Lea Cavender, do hereby sell, assign, and transfer to:

**E-Z Bowz, L.L.C.**, a limited liability company organized under the laws of Tennessee, doing business at 2354 Chapman Highway, Sevierville, TN 37876

its successors, assigns, and legal representatives (collectively referred to as "Assignee"), my entire right, title and interest, if any, for the United States and all foreign countries, in and to any and all inventions and improvements which are disclosed in the application for United States Letters Patent having Serial No. 08/133,618, entitled:

### BOW-MAKING APPARATUS

and in and to all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of the improvements, including, but not limited to, the applications for United States Letters Patent having Serial Nos. 08/824,003 and 09/090,552, and the international application published under the Patent Cooperation Treaty having application number PCT/US94/11406; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on the improvements, including, but not limited to, United States Letters Patent 5,617,979, Des. 364,733, and Des. 389,998; and in and to all rights of priority resulting from the filing of the United States application; and any and all prior, current, or pending rights of action therein; and

Agree that the Assignee may apply for and receive Letters Patent for the improvements in its own name; and that, when requested, without charge to, but at the expense of, the Assignee, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all the improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to the improvements and the history thereof; and generally do everything possible which the Assignee shall consider desirable for aiding in securing and maintaining proper patent protection for the improvements and for vesting title to the improvements and all applications to patents and all patents on the improvements, in the Assignee; and

Covenant with the Assignee that no assignment, grant mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
