as assignee, is desirous of acquiring all right, title and interest for the United States in and to
said invention and any U.S. Patent that may be granted therefor.

NOW, THEREFORE, in consideration of One Dollar (USD 1.00) and other good and valuable
consideration, the receipt of which is hereby acknowledged, We, as assignors, hereby sell, assign
and set over to said assignee the entire right, title and interest for the United States in and to said
invention and the aforesaid United States application for Patent, all original, divisional, continua-
tion, substitute or reissue applications and patents applied for or granted therefor in the United
States including all rights of priority from the filing of said application, and the Commissioner of
Patents is hereby authorized and requested to issue all patents on said invention or resulting
therefrom to said assignee herein, as assignee of the entire interest therein; and the undersigned
for ourselves and our legal representatives, heirs and assigns do hereby agree and covenant
without further remuneration, to execute and deliver all divisional, continuation, reissue and other
applications for Patent on said invention and all assignments thereof to said assignee or its
assigns, to communicate to said assignee or its representatives all facts known to the undersigned
respecting said invention, whenever requested, to testify in any interferences or other legal pro-
ceedings in which any of said applications or patents may become involved, to sign all lawful
papers, make all rightful oaths, and to do generally everything necessary to aid said assignee, its
successors, assigns and nominees to obtain patent protection for said invention in the United
States, the expenses incident to said applications to be borne and paid by said assignee.
