ASSIGNMENT

WHEREAS, WE, Mike A. Jones, a U.S. citizen, residing in the City of Capistrano Beach, California, Scott M. Evans, a U.S. citizen residing in the City of Santa Ana, California, Blair D. Walker, a U.S. citizen, residing in the City of Lake Forest, California, and William J. Worthen, a U.S. citizen, residing in the City of Coto de Casa, California, have invented certain new improvements in a "Indwelling Heat Exchange Catheter", for which they have executed an application for Letters Patent in the United States, specification of which was filed on August 13, 1998, and was assigned serial no. 09/133,813.

AND WHEREAS, Alsius Corporation, a California corporation, with its principal place of business at 5 Jenner, Irvine, California 92618, desires to acquire the entire right, title, and interest in and to the said improvements and the said Application:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to us in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, we, the said inventors, do hereby acknowledge that we have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said Alsius Corporation, its successors, legal representatives and assigns, the entire right, title and interest throughout the world in, to and under the said improvements, and the said application and all divisions, renewals and continuations thereof, and all Letters Patent of the United States which may be granted thereon and all reissues and extensions thereof, and all rights of priority under International Conventions and applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States, and all Letters Patent which may be granted for said improvements in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and we hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to the said Alsius Corporation, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant and agree that we will communicate to the said Alsius Corporation, its successors, legal representatives and assigns, any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid the said Alsius Corporation, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said improvements in all countries.
