ASSIGNMENT

Whereas, we,

Gilbert O. Kraemer
Jonathan Dwight Berry

having made an invention disclosed in the application for Letters Patent of the United States of America titled A Swirling Flushback Arrestor,
application number _____, filed on _____, or attached hereto ☒;

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, we have agreed to assign and transfer and do hereby assign and transfer unto Precision Combustion, Inc., a corporation of the State of Delaware, having its principal office at 25 Science Park, New Haven, CT 06511, its successors and assigns, the entire right, title and interest in and to the said invention and application, and in and to any division, continuation or continuation-in-part, of said application, and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted on any of the foregoing to be held and enjoyed as fully and exclusively as they would have been by us had this assignment and transfer not been made;

AND WE COVENANT, AGREE AND WARRANT that we have full and unencumbered title to the invention hereby assigned, and we further covenant and agree for ourselves and our heirs, executors and administrators, at anytime upon request to execute and deliver without further consideration any further applications, assignments and documents, and to perform such other acts as we lawfully may, that may be deemed necessary by the said Precision Combustion, Inc., its successors, assigns, and nominees, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

AND WE DO HEREBY AUTHORIZE AND REQUEST the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of the said applications, to the said Precision Combustion, Inc., as the assignee of the entire interest therein.

IN WITNESS WHEREOF, we have hereunto set our hands and seals
this 25 day of MAY, 1999.

Jonathan Dwight Berry
