This assignment relates to a United States patent application signed by Assignor and entitled
BOTTOM STOP MECHANISM FOR A WINDOW COVERING

This patent application was filed in the United States Patent and Trademark Office on February 6, 1997, and received Serial No. 08/796,229. This patent application is called "the Patent Application".

Assignor has received Ten Dollars (\$10.00) and other good and valuable consideration for this assignment.

Assignor assigns to Assignee all of Assignor's right, title and interest in the Patent Application, the invention described and claimed in the Patent Application, and all patents that may issue based on the invention and on the Patent Application in the United States *and in every foreign country*. *Assignor also assigns to Assignee all priority rights in the Patent Application.**

*In those countries where permitted, the Assignor authorizes the Assignee to apply for patents for the invention directly in Assignee's name.** Assignor authorizes the Commissioner of Patents and Trademarks or other governmental authority to issue all patents for the invention directly to Assignee.

Assignor states that Assignor has the right to grant to Assignee the rights which are assigned by this assignment. Assignor will sign any additional documents as may be needed to carry out the purpose of this assignment.

This assignment is binding on all parties who lawfully succeed to the rights of or take the place of Assignor or Assignee.

* *Strike italicized sections only if foreign rights are not intended to be assigned.*

The effective date of this assignment is the date at the top of this assignment.
