ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable considerations, the receipt of which is hereby acknowledged, **We**, the undersigned,
Wolfgang Wehner and Hans-Helmut Friedrich

Hereby sell, assign and transfer to

Witco Vinyl Additives GmbH

a corporation of Germany having a place of business at
Chemiestrasse 22, D-68623 Lampertheim, Germany, its successors,
assigns and legal representatives, the entire right, title and
interest for all countries, in and to any and all improvements
which are disclosed and claimed, and as possessed by the
undersigned, any and all improvements which are disclosed but not
claimed, in the application for United States Patent, which has
been executed by the undersigned on even date herewith and is
entitled

5-SUBSTITUTED 6-AMINOURACILS AS STABILIZERS FOR HALOGENATED POLYMERS

and in and to said application and all divisional, continuing,
substitute, renewal, reissue, and all other applications for
Letters Patent which have been or shall be filed on any of said
improvements disclosed in said application; and in and to all
original and reissued patents which have been or shall be issued
on said improvements;

Authorize and request the Commissioner of Patents to
issue to said Assignee, the corporation above named, its
successors, assigns and legal representatives, in accordance with
this assignment, any and all United States Letters Patent on said
improvements, or any of them, disclosed in said application;

Agree that said Assignee may apply for and receive foreign Letters Patent for said improvements, or any of them; and may claim, in applications for said foreign Letters Patent, the priority of the aforesaid United States application under the provisions of the International Convention; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will, for the United States and all foreign countries, execute all divisional, continuing, substitute, renewal, reissue and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee its successors, assigns and representatives, all facts known to the undersigned relating to said improvements and the history thereof; testify in all legal proceedings; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
