WHEREAS, Assignors have invented certain new and useful improvements in

SMALL ELECTRONIC DEVICE

, set forth in an application for Letters Patents of the United States, executed on May 21, 1999, _____, and _____, respectively; or has already been filed as U.S. Application Serial No. _____, filed on _____.

WHEREAS, CITIZEN WATCH CO., LTD.,

a corporation organized under and pursuant to the laws of Japan, having its principal place of business at 1-1, Nishi-Shinjuku 2-chome, Shinjuku-ku, Tokyo, Japan (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said application for Letters Patents of the United States, and in and to any Letters Patents, United States or foreign, to be obtained therefor and thereon;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right,

title and interest in and to the above-mentioned inventions and application for Letters Patents, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patents in the United States which may be granted therefor and thereon, and reissues, reexaminations and extensions of said Letters Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patents may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patents above-mentioned, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patents and applications for Letters Patents for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said application for Letters Patents, or any proceeding in connection with any Letters Patents or applications for Letters Patents for said inventions, including but not limited to interference proceedings, is lawful and desirable;

or, that any division, continuation or continuation-in-part of any application for Letters Patents, or any reissue, reexamination or extension of any Letters Patents, to be obtained thereon, is lawful and desirable.

AND Assignors hereby request the Commissioner of Patents and Trademarks to issue said Letters Patents of the United States to Assignee, as Assignee of said inventions and the Letters Patents to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
