Re: Document **ID No.:** 100970140 Assignment of Jon Russett to Keating of Chicago, Inc.

Dear Ms. White:

I received the enclosed materials from Lucent Technologies, to whom it was apparently misdirected, which accounts for my delay in responding. I tried the telephone number listed on your May 14th Notice of Non Recordability with interesting results. The first series of calls on June 11 kept giving a busy signal, the next calls on June 12 resulted in a facsimile signal and the last call on June 15 got the general Trademark Office recording. Consequently this letter.

I am at a loss as to what is amiss with the corrected assignment cover sheet I submitted in response to the request of the Office to include the address of the Assignee. Both the new and the old cover sheets and the assignment are attached to my letter of February 20, 1999, but the original Notice of Non Recordability is missing. Also the old ID No. was 100856259

I would greatly appreciate your assistance in putting this matter right. Please advise me if there is something further that I should do.

Very truly yours

Nicholas A. Camasto
