OBLIGATIONS AND LIABILITIES UNDER THE LOAN AGREEMENT AND THE OTHER LOAN DOCUMENTS.

2. AUTHORIZATION AND REQUEST. Debtor authorizes and requests that the Register of Copyrights and the Commissioner of Patents and Trademarks record this conditional assignment.

3. COVENANTS AND WARRANTIES. Debtor represents, warrants, covenants and agrees as follows:

(a) To its knowledge, Debtor is now the sole owner of the Intellectual Property Collateral, except for non-exclusive licenses granted by Debtor to its customers in the ordinary and normal course of business as now conducted;

(b) Performance of this Security Agreement does not conflict with or result in a material breach of any material agreement to which Debtor is a party or by which Debtor is bound, except to the extent that certain intellectual property agreements may prohibit the assignment of the rights thereunder to a third party without the licensor's or other party's consent and this Security Agreement would constitute such an assignment;

(c) During the term of this Security Agreement, Debtor will not sell, transfer, assign or otherwise encumber any interest in the Intellectual Property Collateral, except for (i) non-exclusive licenses granted by Debtor in the ordinary and normal course of its business as now conducted or as set forth in this Security Agreement and (ii) subject to Debtor's execution of appropriate documents, in form acceptable to Bank, to enable Bank to perfect or continue the perfection of Bank's interest in the Intellectual Property Collateral, transfers to affiliates of Debtor;

(d) To its knowledge, each of the Patents is valid and enforceable, and there is no Intellectual Property which has been judged invalid or unenforceable, in whole or in part, and no claim has been made that any part of the Intellectual Property Collateral violates the rights of any third party;

(e) Debtor shall promptly advise Bank of any material changes in the composition of the Intellectual Property Collateral, including but not limited to any subsequent ownership right of Debtor in or to any Intellectual Property not specified in this Security Agreement;

(f) Debtor shall (i) use commercially reasonable efforts to protect, defend and maintain the validity and enforceability of the Intellectual Property, (ii) use commercially reasonable efforts to detect infringements of the Intellectual Property and promptly advise Bank in writing of material infringements detected and (iii) not allow any of its Intellectual Property to be abandoned, forfeited or dedicated to the public without the written consent of Bank, which shall not be unreasonably withheld, unless Debtor determines that reasonable business practices suggest that abandonment is appropriate;

(g) Debtor shall promptly register the most recent version of Debtor's material Copyrights, if not so already registered, as Bank may reasonably request from time to time based on its review of the Quarterly Report (as hereinafter defined) and shall, from time to time, execute such other instruments, and take such further actions as Bank may reasonably request from time to time to enable Bank to perfect or continue the perfection of Bank's interest in the Intellectual Property Collateral;

(h) This Security Agreement creates, and in the case of after acquired Intellectual Property Collateral, will create at the time Debtor first has rights in such after acquired Intellectual Property Collateral, in favor of Bank a valid and perfected first priority security interest in the Intellectual Property Collateral in the United States securing the payment and performance of all present or future indebtedness, obligations and liabilities of Debtor to Bank, including, without limitation, such indebtedness, obligations and liabilities under the Loan Agreement and the other Loan Documents, upon Bank's making the filings referred to in **Section 3(i)** below, subject only to Permitted Liens (as defined in the Loan Agreement);

(i) To its knowledge, except for, and upon, the filings with, as applicable, (1) the United States Patent and Trademark Office, (2) the Register of Copyrights and (3) the UCC Division of the applicable office of the Secretary of State, necessary to enable Bank to perfect the security interests and assignment created hereunder, and except as has been already made or obtained, no authorization, approval or other action by, and no notice to or filing with, any United States governmental authority or United States regulatory body is required either (a) for the grant by Debtor of the security interest granted hereby or for the execution, delivery or performance of this Security Agreement by Debtor in the United States or (b) for the perfection by Bank in the United States or the exercise by Bank of its rights and remedies hereunder;

(j) All information heretofore, herein or hereafter supplied to Bank by or on behalf of Debtor with respect to the Intellectual Property Collateral is accurate and complete in all material respects;

(k) Debtor shall not enter into any agreement that would materially impair or conflict with Debtor's obligations hereunder without Bank's prior written consent, which consent shall not be unreasonably withheld. Debtor shall not permit the inclusion in any material contract to which it becomes a party of any provisions that could or might in any way prevent the creation of a security interest in Debtor's rights and interests in any property included within the definition of the Intellectual Property Collateral acquired under such contracts, except that certain contracts may contain anti-assignment provisions that could in effect prohibit the creation of a security interest in such contracts; and

(l) Upon any executive officer of Debtor obtaining actual knowledge thereof, Debtor will promptly notify Bank in writing of any event that materially adversely affects the value of any Intellectual Property Collateral, the ability of Debtor to dispose of any Intellectual Property Collateral or the rights and remedies of Bank in relation thereto, including the levy of any legal process against any of the Intellectual Property Collateral.

4. BANK'S RIGHTS. Bank shall have the right, but not the obligation, to take, at Debtor's sole expense, any actions that Debtor is required under this Security Agreement to take but which Debtor fails to take, after fifteen (15) days' notice to Debtor. Debtor shall reimburse and indemnify Bank for all reasonable costs and reasonable expenses incurred in the reasonable exercise of its rights under this **Section 4**.

5. INSPECTION RIGHTS. Debtor hereby grants to Bank and its employees, representatives and agents the right to visit, during reasonable hours upon prior reasonable written notice to Debtor, any of Debtor's plants and facilities that manufacture, install or store products (or that have done so during the prior six-month period) that are sold utilizing any of the Intellectual Property Collateral, and to

inspect the products and quality control records relating thereto upon reasonable written notice to Debtor and as often as may be reasonably requested.

6. FURTHER ASSURANCES; ATTORNEY IN FACT.

(a) On a quarterly basis, Debtor agrees to deliver to Bank a report, in form acceptable to Bank and certified by an officer of Debtor, which lists all Intellectual Property that is material to the operation of Debtor's business on an on-going basis, and in which Bank does not already have a perfected security interest (the "*Quarterly Report*"); *provided, however*, Debtor may provide a general description of the Copyrights by type. Based upon review of the Quarterly Report, Bank shall, in its reasonable discretion, identify which Intellectual Property it deems material to the operation of Debtor's business on an on-going basis or the value of the Intellectual Property Collateral.

(b) On a continuing basis, Debtor will make, execute, acknowledge and deliver, , all such instruments, including appropriate financing and continuation statements and collateral agreements, and take all such action as may reasonably be necessary or advisable, or as reasonably requested by Bank, to enable Bank to perfect Bank's security interest in all Intellectual Property, which Bank reasonably identifies pursuant to Section 6(a) above as material to the operation of Debtor's business on an on-going basis or the value of the Intellectual Property Collateral, and otherwise to carry out the intent and purposes of this Security Agreement, or for assuring and confirming to Bank the grant of a security interest in all Intellectual Property Collateral.

(c) Debtor hereby irrevocably appoints Bank as Debtor's attorney-in-fact, with full authority in the place and stead of Debtor and in the name of Debtor, from time to time in Bank's discretion, to take any action and to execute any instrument which Bank may reasonably deem necessary or advisable to accomplish the purposes of this Security Agreement, including (i) to modify, in its reasonable discretion, this Security Agreement without first obtaining Debtor's approval of or signature to such modification by amending Exhibit A, Exhibit B or Exhibit C hereof, as appropriate, to include reference to any material right, title or interest in any Intellectual Property acquired by Debtor after the execution hereof or to delete any reference to any right, title or interest in any Intellectual Property in which Debtor no longer has or claims any right, title or interest, (ii) to file, in its reasonable discretion, one or more financing or continuation statements and amendments thereto, relative to any of the Intellectual Property Collateral without the signature of Debtor where permitted by law and (iii) to transfer the Intellectual Property Collateral into the name of Bank or a third party to the extent permitted under the UCC *provided* that Bank agrees that it shall not exercise its powers as attorney-in-fact under this Section 6 except upon the occurrence and during the continuation of an Event of Default.

7. EVENTS OF DEFAULT. The occurrence of any of the following shall constitute an "*Event of Default*" under this Security Agreement:

(a) An Event of Default occurs under the Loan Agreement (as defined therein) or a default occurs under any of the other Loan Documents; or

8. REMEDIES. Upon the occurrence and during the continuance of an Event of Default, Bank shall have the right to exercise all the remedies of a secured party under the UCC, including, without limitation, the right to require Debtor to assemble the Intellectual Property Collateral and any tangible property in which Bank has a security interest and to make it available to Bank at a place designated by Bank. Bank shall have a nonexclusive, royalty free license or other right, solely pursuant to the provisions of this **Section 8**, to use, without charge, the Intellectual Property and any property of a similar nature as it pertains to the Intellectual Property Collateral, to the extent reasonably necessary to permit Bank to exercise its rights and remedies pursuant to this **Section 8**, including, without limitation, the completion of production, advertising for sale and the sale of any Intellectual Property Collateral and, in connection with Bank's exercise of its rights hereunder, Debtor's rights under all licenses and all franchise agreements shall inure to the benefit of Bank. All of Bank's rights and remedies with respect to the Intellectual Property Collateral shall be cumulative.

9. INDEMNITY. Debtor agrees to defend, indemnify and hold harmless Bank and its officers, employees, and agents against: (a) all obligations, demands, claims, and liabilities claimed or asserted by any other party in connection with the transactions contemplated by this Security Agreement and (b) all losses or expenses in any way suffered, incurred, or paid by Bank as a result of or in any way arising out of, following or consequential to transactions between Bank and Debtor, whether under this Security Agreement or otherwise (including, without limitation, reasonable attorneys' fees and reasonable expenses), except for losses arising from or out of Bank's gross negligence or willful misconduct.

10. SUCCESSORS AND ASSIGNS. This Security Agreement and all obligations of Debtor hereunder shall be binding upon the successors and assigns of Debtor, and shall, together with the rights and remedies of Bank hereunder, inure to the benefit of Bank, any future holder of any Note and their respective successors and assigns. No sales of participations, other sales, assignments, transfers or other dispositions of any agreement governing or instrument evidencing the indebtedness secured hereby or any portion thereof or interest therein shall in any manner affect the security interest created herein and granted to Bank hereunder.
