# ASSIGNMENT

Serial No. 09/312613

Filed May 17, 1999

Title System for monitoring the operation of an aircraft, especially a helicopter.

For one dollar the receipt and sufficiency whereof are hereby acknowledged,  
the undersigned hereby assigns to EUROCOPTER  
Aéroport International Marseille-Provence - 13725 MARIGNANE CEDEX France

its successors and assigns \_\_\_\_\_ the entire right,  
title and interest in the invention or improvements of the undersigned disclosed in an application for Letters Patent  
of the United States, executed by the undersigned on June 15, 1999, and in said appli-  
cation and any and all other applications, both United States and foreign, which the undersigned may file, either solely  
or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and  
foreign countries, which may be obtained on any of said applications, and in any reissue or extension thereof.

The undersigned hereby authorizes and requests the Commissioner of Patents to issue said Letters Patent to said  
assignee EUROCOPTER

The undersigned hereby authorizes and requests the attorneys of record in said application to insert in this assign-  
ment the date and serial number of said application when officially known.

The undersigned warrants himself to be the owner of the interest herein assigned and to have the right to make  
this assignment; and further warrants that there are no outstanding prior assignments, licenses, or other rights in the  
interest herein assigned.

For said consideration the undersigned hereby agrees, upon the request and at the expense of said assignee, its  
successors and assigns, to execute any and all divisional, continuation, continuation-in-part and substitute applications for  
said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or  
extension of any Letters Patent that may be granted upon said application, and any and all applications and other documents  
for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns, may  
deem necessary or expedient, and for the said consideration the undersigned further agrees upon the request of said  
assignee, its successors or assigns, in the event of any application or Letters Patent assigned herein becoming involved  
in Interference, to co-operate to the best of the ability of the undersigned with said assignee, its successors or assigns,  
in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof,  
the undersigned hereby agreeing to perform, upon request, any and all affirmative acts to obtain said Letters Patent,  
both United States and foreign, and vest all rights therein hereby conveyed in the said assignee, its successors and  
assigns, whereby said Letters Patent will be held and enjoyed by the said assignee, its successors and assigns, to the  
full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been  
held and enjoyed by the undersigned if this assignment and sale had not been made.
