**ASSIGNMENT**

WHEREAS, we, the undersigned inventors having invented certain new and useful improvements as below entitled, for which application for United States Letters Patent is made, the application having been executed on the date set forth below; and

WHEREAS, ViewCast.com, Inc., a corporation organized and existing under the laws of the State of Texas, with its principal office at 2665 Villa Creek Drive, Suite 200, Dallas, Texas 75234, is desirous of acquiring our entire right, title and interest in and to the invention, and to the application and any Letters Patent that may issue thereon;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we hereby sell and assign to ViewCast.com, Inc., its successors and assigns, our entire right, title and interest in and to the invention and in and to the application and all patents which may be granted therefor, and all divisions, reissues, substitutions, continuations, and extensions thereof; and we hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents for the invention, or patents resulting therefrom, insofar as our interest is concerned, to ViewCast.com, Inc., as assignee of our entire right, title and interest.

We also hereby sell and assign to ViewCast.com, Inc., its successors and assigns, our foreign rights to the invention disclosed in the application, in all countries of the world, including the right to file applications and obtain patents under the terms of the International Convention for the Protection of Industrial Property, and of the European Patent Convention, and further agree to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such patent rights.

We hereby further agree that we will communicate to ViewCast.com, Inc., or to its successors, assigns, and legal representatives, any facts known to us respecting the invention, testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue and substitute applications, make all lawful oaths, and generally do everything reasonably possible to aid ViewCast.com, Inc., its successors, assigns and legal representatives to obtain and enforce proper patent protection for the invention in all countries.

IN WITNESS WHEREOF, we hereunto set hand and seal this day and year;
