ASSIGNMENT

For valuable consideration, I, Neal B. Dowling, Jr., of Sudbury, Massachusetts hereby			
assign to CardioDyne Division of Luxtec Corporation, a Massachusetts corporation having a place of			
business at 326 Clark Street, Worcester, MA 01606-1214, and its successors and assigns (collectively			
hereinafter called "the Assignee"), the entire right, title and interest throughout the world, including,			
without limitation, the right to sue for past infringement, in the inventions and improvements which are			
subject of an application for United States Patent signed by me, entitled MEASURING BLOOD			
PRESSURE IN NOISY ENVIRONMENTS, filed, and assigned U.S. Serial Number			
, and I authorize and request the attorneys appointed in said application to hereafter complete this assignment by inserting above the filing date and serial number of said application when known; this assignment including said application, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I authorize the Assignee to apply in all countries in my name or in its own name for patents, utility models, design registrations and like rights of exclusion, and for inventors' certificates for said inventions and improvements; and I agree for me and my respective heirs, legal representatives and assigns, without further compensation, to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.			
IN WITNESS WHEREOF, I hereto set my hand and seal at Luxtee Corp., 326 Clark St, Worcester, this / 24 day of June, 1999. Neal B. Dowling, Jr. L.S.
