## ASSIGNMENT

THIS ASSIGNMENT, made by me, **James L. Peck, Jr.**, a citizen of the United States of America, residing at Huntington Beach, California,

WITNESSETH: That,

WHEREAS, I am the sole inventor of certain new and useful improvements in  
MULTIPOINT SINGLE PATH OPTICAL SYSTEM AND ASSOCIATED METHOD for which  
an application for United States Letters Patent has been executed by me concurrently herewith,  
and

WHEREAS, **The Boeing Company**, a Delaware corporation having a principal place of  
business at Seattle, King County, Washington, with a mailing address of Post Office Box 3707,  
M/S 13-08, Seattle, WA 98124-2207, hereinafter referred to as assignee, is desirous of acquiring  
the entire right, title, and interest in and to said invention as described in said application, and in  
and to any and all Letters Patent which shall be granted therefor in the United States of America  
and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable  
consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold and by  
these presents do hereby sell, assign, transfer, and convey unto the said assignee, its successors  
and assigns, the entire right, title, and interest in and to the said invention and application, and in  
and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any  
and all Letters Patent of the United States of America and all foreign countries or reissues  
thereof which may be granted therefor or thereon, for the full end of the term for which said  
Letters Patent may be granted, together with the right to claim the priority of said application in  
all foreign countries in accordance with the International Convention, the same to be held and  
enjoyed by said assignee, its successors and assigns, as fully and entirely as the same would have  
been held and enjoyed by me if this assignment and sale had not been made.

I hereby request that said Letters Patent be issued in accordance with this assignment.

I further covenant and agree that, at the time of the execution and delivery of these  
presents, I possess full title to the invention and application above-mentioned, and that I have the  
unencumbered right and authority to make this assignment.

I further covenant and agree to bind my heirs, legal representatives, and assigns promptly  
to communicate to said assignee or its representatives any facts known to me relating to said

invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention in all countries and to vest in the assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said assignee, its successors, assigns, and other legal representatives.

IN WITNESS WHEREOF, I have hereunto set my hand and seal below.
