invented by me and the application for United States Patent, European Patent and any
other foreign patent as Emhart Inc. so desires, as fully set forth and described in the
application, Serial No.10-190525 which I filed on the 6th day of July, 1998, and all
original and reissued patents granted therefore, and all divisions and continuations
thereof, including the subject matter of any and all claims which may be obtained in
every such patent and the right to apply for and obtain Patents, Utility Model
Registrations and Inventor's Certificates in countries foreign to the United States, and
in and to any Letters Patent, Utility Model Registration or Inventor's Certificate which
may be granted thereon in such foreign countries, including all priority rights under the
International Convention associated therewith for each country of the United States,
and authorize and request the Commissioner of Patents and Trademarks of the United
States and any official of any country or countries foreign to the United States whose
duty it is to issue patents on applications as aforesaid, to issue the said Letters Patent,
Utility Model Registration or Inventor's Certificate to the said Emhart Inc., its
successors, assigns, nominees or other legal representatives, as assignee of the entire
interest, and covenant that I have full right to convey the entire interest herein assigned

and the I have not executed and will not execute any agreement in conflict herewith and agree that I will communicate to said Emhart Inc., its successors, assigns, nominees or other legal representatives all facts known to me respecting said invention, whenever requested, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and do all lawful acts requisite for the application for such divisional, continuing or reissue applications, or the procuring thereof, and that if and when said Emhart Inc., its successors, assigns, nominees or other legal representatives desire to file a disclaimer relating thereto, I will, upon request, sign all lawful papers requisite for the filing of such disclaimer, and I further covenant and agree that I will, at any time upon request, do everything legally possible to aid said Emhart Inc., its successors, assigned, nominees or other legal representatives, either in its or their own name, to apply for, obtain and enforce Patent, Utility Model Registration and/or Inventor's Certificate protection for said improvements in all countries, all without further consideration but at the expense of said Emhart Inc., its successors, assigns, nominees, or other legal representatives.
