FOR VALUABLE CONSIDERATION, the receipt and sufficiency of which is hereby acknowledged, we, Matthias Ehrlich and Bernhard Walter all citizens of Federal Republic Germany, and residents, respectively, of Bühl, Federal Republic and Oberkirch, Federal Republic Germany all whose post office addresses are, respectively, Beethovenstrasse 6, 77815 Bühl, Federal Republic Germany and Probstbühnstrasse 8, D-77704 Oberkirch, Federal Republic Germany, being the inventors of certain new and useful improvements in CONTINUOUSLY VARIABLE TRANSMISSION hereby sell, transfer and set over and assign unto LuK Getriebe-Systeme GmbH, a Company organized and existing under the laws of Federal Republic Germany and having its principal place of business at Industriestrasse 3, 77815 Bühl/Baden, Federal Republic Germany, its successors, assigns, nominees or other legal representatives, the same to be held and enjoyed by the said LuK Getriebe-Systeme GmbH, for its own use and enjoyment of its successors, assigns, nominees, or other legal representatives, to the end of the term or terms for which such Letters Patent are or may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale would not have been made, all of the entire right, title and interest in and to the improvements in CONTINUOUSLY VARIABLE TRANSMISSION invented by us and for which we have filed an application for United States Letters Patent on May 18, 1999 Serial No. 09/314,469, and all original and reissued patents granted for said improvements, and all divisions and continuations of said application, including the subject matter of any and all claims which may be
obtained in every such patent, and the right, where such right can be legally exercised, in its own name to apply for and obtain patents in countries foreign to the United States, including the full right to claim for any such application the benefits of the International Convention as fully and entirely as we could have done if the application had been filed in our names, and the entire interest in any Letters Patent which may be granted on any such application in such foreign countries, and we do authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty is to issue patents on applications as aforesaid, to issue said Letters Patent to LuK Getriebe-Systeme GmbH its successors, assigns, nominees or other legal representatives, as assignee and owner of the said entire interest, and we do covenant that we have full right to convey the said entire interest herein assigned and that we have not executed and will not execute any agreement in conflict herewith, and agree that we will communicate to LuK Getriebe-Systeme GmbH, its successors, assigns, nominees, or other legal representatives, all facts known to us respecting said improvements, whenever requested, and testify in any legal proceedings, sign all lawful papers, execute and deliver all divisional, continuing and reissue applications, make all rightful oaths and do all lawful acts requisite for the application of such divisional, continuing or reissue applications, or the procuring thereof, and that if and when LuK Getriebe-Systeme GmbH, its successors, assigns, nominees or other legal representatives desire to file a disclaimer relating thereto, we will, upon request, sign and deliver all lawful papers requisite for the filing of such disclaimer, and we further covenant and agree that we will, at any time upon request, do everything possible to
aid LuK Getriebe-Systeme GmbH, its successors, assigns, nominees or other legal representatives, either in our or its own name, to apply for, obtain and enforce proper patent protection for said improvements in all countries according to the International Convention of 1883 and all the laws and treaties in force, all without further consideration but at the expense of LuK Getriebe-Systeme GmbH its successors, assigns, nominees and other legal representatives.
