ASSIGNMENT - U.S. PATENT RIGHTS

For good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, as a named inventor, I hereby sell and assign to Derby, Inc., of South Bend, Indiana its successors and assigns or other legal representatives, all my right, title and interest in and to the invention entitled

INSTITUTIONAL BEDDING WITH INTEGRAL PILLOW AND MATTRESS

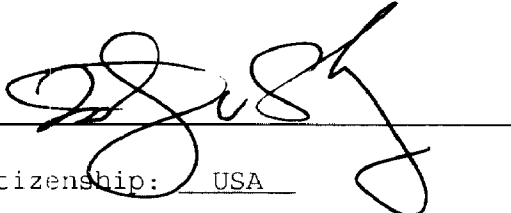

which is described in and claimed by the application for United States Letters Patent of that same title and executed on this date by me, together with all patents issuing therefrom and patent applications filed as and patents issuing as divisions, continuations, continuations in part, reissues and extensions thereof, including the right to sue for relief from all infringements occurring before and/or after this assignment, the said interest being the entire ownership of the said Letters Patent when granted, to be held and enjoyed by said Derby, Inc., their successors and assigns or other legal representatives, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

I hereby agree to sign and execute any further documents or instruments which may be necessary, lawful, and proper in the prosecution and/or enforcement of the above-named patent or in the preparation and prosecution of any continuation, continuation-in-part, substitute, divisional, renewal, re-examination or reissue application or in any amendment, extension, or interference proceedings related to such applications, or to otherwise to secure the title thereto in said assignee.

I hereby authorize and request the Commissioner of Patents to issue any resulting patents to Derby, Inc.
