## A S S I G N M E N T:

Whereas I, Adolf Kuhlen, hereinafter called the assignor, a citizen of Germany, have invented a certain improvement for which application for Letters Patent of the United States of America was made in the US Patent & Trademark Office under Serial No. 09/231,858 filed January 14, 1999 entitled TROWEL WITH HANDLE, and whereas Kuhlen GmbH, hereinafter called the assignee, a corporation organized under the laws of Germany, having an address, Platz 25, D-42855 Remscheid, Germany, is desirous of acquiring an interest therein:

Now, therefore, in consideration of One Dollar, and other good and valuable consideration, the receipt of which is hereby acknowledged, by these presents, the assignor, does sell, assign and transfer unto the said assignee the entire right, title and interest, for the territory of the United States of America, in and to said invention as described in the specification and claims of said application; said invention, application and Letters Patent, including any continuations, divisions,

reexaminations, or reissues thereof, to be held and enjoyed by the said assignee for its own use and behoof, and for its legal representatives, to the full end of the term for which Letters Patent may be granted, as fully and entirely as the same would have been held by the assignor had this assignment and sale not been made. Further in consideration the assignor agrees to do whatever is necessary to aid in the securing or preservation of protection on this invention, application(s), and patent(s).
