ASSIGNMENT

Serial No. \_\_\_\_\_  
Filed: \_\_\_\_\_

In consideration of ONE DOLLAR and other good and valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, I hereby assign to HÜBNER GUMMI- UND KUNSTSTOFF GMBH (hereinafter referred to as "Assignee"), presently residing at (or) a corporation of Germany having its principal place of business at Agathofstraße 15, D-34123 Kassel Germany, its successors, legal representatives and assigns, the entire right, title and interest in the United States in \_\_\_\_\_ invention or improvements in SWIVEL JOINT MOUNTED IN THE CEILING AREA OF TWO HINGE-LINKED VEHICLES and in the application for Letters Patent of the United States therefor, executed by me on the 9th day of March, 19 99, and any and all other United States applications which I may file, either solely or jointly with another on said invention or improvement, and in any and all Letters Patent of the United States which may be obtained on any of the said applications, and in any reissue, re-examination or extension hereof.

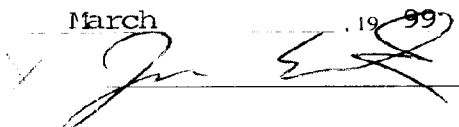

I hereby authorize and request the Commissioner of Patents to issue said Letters Patent to said Hubner Gummi - Und Kunststoff GmbH

I hereby authorize and request the attorneys of record in said application to insert in this Assignment the filing date and Serial Number of said application when officially known.

I warrant myself to be the owner of the interest herein assigned, and to have the right to make this assignment; and I further warrant that there are no outstanding prior assignments, licenses or other rights in the interest herein assigned.

For said consideration, I hereby agree, upon request of said Assignee, its successors, legal representatives and assigns to execute any and all divisional or continuation applications for said invention or improvements thereto, and any necessary oath or declaration or supplemental oath or declaration or affidavit relating thereto, and any application for the reissue, renewal, extension or re-examination of any Letters Patent that may be granted upon said application, that said Assignee, its successors, legal representatives and assigns may deem necessary or expedient; and for said considerations I further agree upon the request of said Assignee, its successors, legal representatives and assigns, in the event of said application or any division thereof, or Letters Patent issued thereon, becoming involved in Interference, or in a request for re-examination, to cooperate to the best of my ability with said Assignee, its successors, legal representatives and assigns in the matter of assisting in the re-examination proceedings, and for said consideration, I further agree to perform, upon such requests, any and all affirmative acts to obtain said Letters Patent, and to vest all rights therein hereby conveyed in the said Assignee, its successors, legal representatives and assigns, whereby said Letters Patent will be held and enjoyed by said Assignee, its successors, legal representatives and assigns to the end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made, including the right to sue for past infringement, and for said consideration I hereby also assign to said Assignee, its successors, legal representatives and assigns the entire right, title and interest in said invention or improvements thereto for any and all foreign countries and my right to claim priority from U.S. Application Serial No. \_\_\_\_\_ filed \_\_\_\_\_, under the International Convention for the Protection of Industrial Property or other multinational convention for any patent, utility model or industrial design application filed in a country which is a member of any applicable international convention for the protection of industrial property and / or under any internal priority legislation of such country; and for said consideration, I hereby further agree upon the request of said Assignee, its successors, legal representatives and assigns to execute any and all documents that shall be required to be executed in connection with any and all applications for foreign Letters Patent, Petty Patent, Utility Model Registration or Industrial Design Registration including the prosecution thereof, and to execute any and all documents to vest title in said foreign applications, patents, utility model registrations or industrial design registrations in said Assignee.

WITNESS, my hand and seal this 9th day of March, 19 99.
