ASSIGNMENT

WHEREAS I, Robert J. Arner residing at 828 Northeast Bryant Dr., Lee's Summit, Missouri 64086 has invented certain new and useful improvements in an COMBINE HARVESTER ROTOR LOAD CONTROL for which I am about to make application for Letters Patent of the United States, which application may be identified in the United States Patent Office as Serial No. 09/022,122, filing date February 11, 1998; and

WHEREAS, AGCO Corporation is desirous of acquiring the entire right, title and interest in and to said invention, said application and the Letters Patent to be obtained therefor:

NOW, THEREFORE, for and in consideration of One Dollar and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, I have sold, assigned, and set over and by these presents do hereby sell, assign, and set over unto the said AGCO Engineering Group and said assignee's legal representatives, successors and assigns, the entire right, title, and interest in and to said invention, said application, and the Letters Patent, both foreign and domestic, that may or shall issue thereon; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the above-mentioned assignee agreeable with the terms of this assignment.

I HEREBY AUTHORIZE the above-mentioned assignee to insert in this instrument the filing date and serial number of my said application.

UPON SAID CONSIDERATION, I convey to said assignee the right to make application in its own behalf for protection of said invention in countries foreign to the United States and where expedient to claim under the International Convention or other international arrangement for any such application the date of the said United States application (or other application if any there be) in priority to other applications.

I DO HEREBY COVENANT and agree with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will at any time upon request, without further or additional consideration, but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, renewal, reissued or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind and inure to the benefit of the assigns and legal representatives of all parties.

IN WITNESS WHEREOF I have hereunto set hand and affixed my seal on the dates indicated adjacent to my signature.
