sell, assign and transfer to the Assignee the entire right, title and interest :

i. in and to our invention relating to a :

LOCKABLE LEVER ARM ASSEMBLY
(« the invention »)

which is described in an application for Canadian Letters Patent and in an application for United States Letters Patent executed on 02 July 1999 1999;

- ii. in and to said applications for Canadian and United States Letters Patent;
- iii. in and to any Letters Patent to be obtained in Canada, the United States and in any other foreign countries concerning the invention; and
- iv. in and to all divisional, continuing, substitute, renewal, reissue and all other applications which may be subsequently filed in Canada, in the United States and in any other foreign countries, as well as all Letters Patent to be obtained therefrom concerning the invention.

We hereby declare and confirm that we will, without charge but at the expense of the Assignee, its successors, assigns or nominees :

- i. promptly execute any document, including forms, declarations, oaths, powers of attorney, affidavits, confirmation assignments, assignments of the rights under the provision of any convention or treaty, and any other documents that will be sent to any of us by the Assignee, its successors, assigns or nominees,
- ii. do all things which the Assignee, its successors, assigns or nominees shall consider necessary or desirable for securing, maintaining and enforcing the rights over what is hereby being sold, assigned and transferred, including testifying in all Legal proceedings; and
- iii. communicate, upon request from the Assignee, its successors, assigns or nominees, all facts known by us relating to the invention and the history thereof,

those commitments also binding our heirs, assigns, representatives and successors, if any.

We also declare and confirm that :

- i. we are the only and true inventors of the invention;
- ii. we have not copied or used information that may be subject to a Trade secret owned or under the control of a third party; and
- iii. no assignment, grant, mortgage, license or other verbal, written or implicit agreement affecting the rights and property herein conveyed has been or will be made to a third party by any of us, the full right to convey the same as herein expressed being possessed by us.

We hereby authorize and request that any Canadian Letters Patent, any United States Letters Patent and any Letters Patent of any foreign country concerning the invention to be issued to the Assignee.

IN TESTIMONY THEREOF, each of us has hereunto set his hand on the date indicated below.
